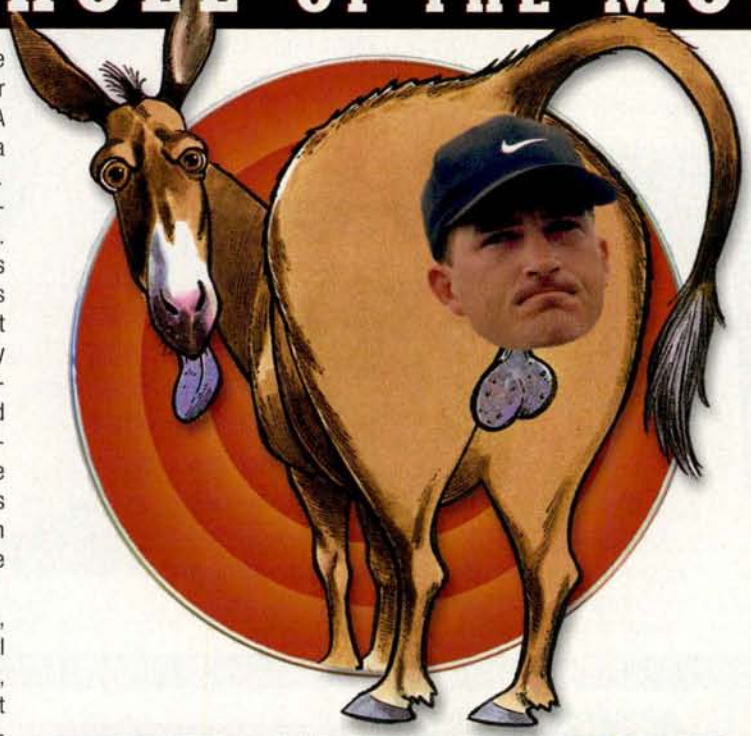
Bits & Pieces

ASSHOLE OF THE MONTH



CASEY MARTIN

When one component of the human body fails, another often steps in to compensate. A blind man, for example, develops a keener sense of hearing and touch.

Golfer Casey Martin offers a perverse twist on this phenomenon. Martin, 29, has a birth defect in his right leg that reportedly makes walking painful for him. As a result of this biological glitch, the gimpy linksman's sphincters have mobilized to cover everything around him with rectal slime. Martin's penchant for turning the fairway, the media and the courtroom into his personal litter box has earned him the title of HUSTLER's Asshole of the Month for October 2001.

Martin has been a mutant all his life, though his compensatory fecal onslaught didn't begin until 1997, when he filed a lawsuit in federal court against the PGA Tour. Martin contended that the Tour should suspend its walking rule and allow him to ride from hole to hole in a golf cart. Able enough to climb the courthouse steps through a lengthy appeals process, Martin was given his license to cheat this May by the U.S. Supreme Court.

Martin's four-year war on fair play revealed his biggest impairment to be between his ears. He pined to be thought of as a normal golfer, yet defined himself by his disability. Annoyed by media attention to his case, Martin, who was supposedly fighting the elitist mind-set of golf, nonetheless pushed his mug into the public eye at a press conference with Bob Dole, where he crowed, "It's nice to have friends in high places."

Martin sobbed girlishly while testifying in court, but glibly joked about his condition at a Nike-sponsored "pep rally" days later.

The dim-witted duffer propped his case on the Americans With Disabilities Act, an honest legislative attempt to help the disabled lead normal lives. Casey dishonestly twisted the Act's intent in his quest to earn inordinate sums of money by whacking a ball.

Delusions of martyrdom notwithstanding, Casey Martin isn't the only person to be excluded from the PGA Tour. The Tour allows entry to one-thousandth of 1% of America's estimated 25 million golfers, who earn access with their skills. Martin's end run around the Tour's requirements insults the players who've accomplished this task, and trivializes the genuine hardships of the disabled.

The core principle of competitive sports is that the athlete with the greatest ability wins. Golf is no exception: During a four-day tournament, players walk about 25 miles. Without this fatigue factor, golf would hardly be a sport at all. History offers many heroic examples of athletes who've overcome disabilities; golf legend Ben Hogan, despite a car wreck that left his ability to walk again in question, hobbled to victory in three top tournaments in 1953. Disregarding this noble precedent, Martin fancies himself a patron saint for crybabies.

"I hope to be a role model," Martin bleats. Following the latest ruling, the special-needs poster boy blustered, "Before they just automatically knock down someone's desire for accommodation, they might have to think twice."

Mucky Casey makes a better blowhard than a golfer; even with a cart, the fairway fuckup didn't qualify for the 1998 PGA Tour that he insisted he had a right to play in. Yet the mediocre athlete received a flurry of endorsement offers after filing his suit and has signed several such deals, most notably with Nike, for whom he declared in a TV ad, "I don't want them to take pity on me because I limp around."

Martin has surely made more money through corporate whoring than from his shoddy playing. Had the pity-shunner not already displayed a bent toward dishonesty, he might have asked himself if companies would throw cash at a so-so golfer who didn't "limp around." The "role model" might also wonder why he still represents Nike, which pointedly enraged the disabled community last year with an ad characterizing cripples as "drooling" and "misshapen."

Casey Martin deserves as much pity as Tonya Harding, who at least took a more direct route in waylaying her opponents. Yet HUSTLER has sympathy for the fudging fart; it's uncertain if his physical ailment is hereditary, but proof exists that he inherited his bullshitting ways.

Casey "wants to be known as a golfer, not as a handicapped person," says his father, King Martin.

Sorry, King, but whenever the public watches your little prince motoring across the course, all they'll see is a lame Asshole.

FARTS IN THE WIND

Rep. James Traficant: Traficant, an Ohio Democrat, has spent much of his political career deflecting accusations of corruption; so he should be more adept at crafting excuses. Currently facing charges of racketeering, bribery and conspiracy, Traficant blames his legal troubles on "overzealous bureaucrats." Employing what is perhaps the biggest contradiction in terms ever, Traficant proves himself to be an improbably inept Asshole.

Louis Freeh: Freeh recently announced that he would step down as Director of the FBI, but not before he bungled the slam-dunk trial of confessed mass murderer Timothy McVeigh. Under Freeh's mismanagement, the Bureau withheld hundreds of documents from McVeigh's attorney, delaying the Oklahoma City bomber's execution and lending credence to the killer's anti-FBI rants. Freeh should have withheld his head from his Asshole.

Robert Blake's Ex—*Beaver Hunt* Model

Bonny Lee Bakley's HUSTLER Beginnings

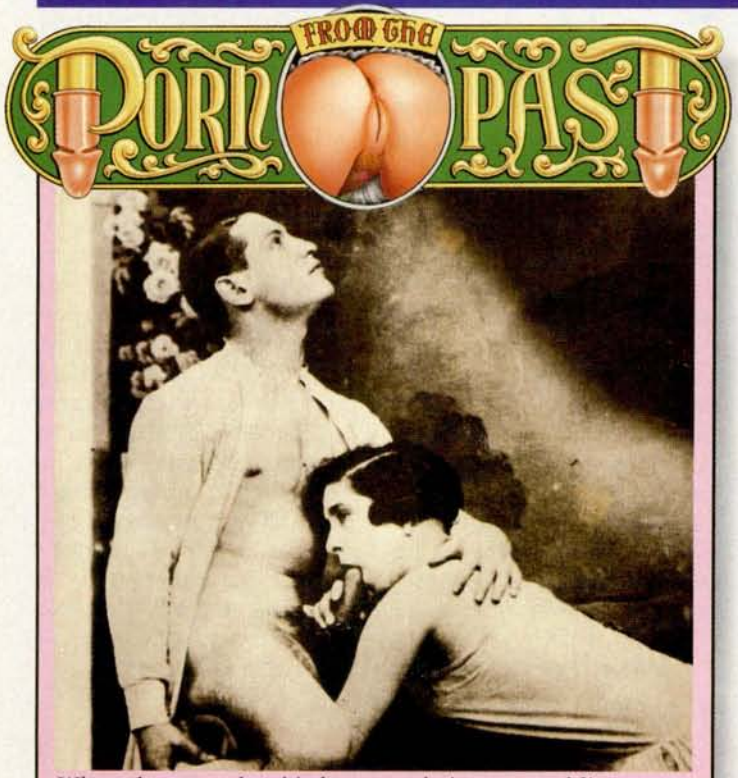
Long before Robert Blake's wife was murdered in May, 20-year-old Bonny Lee Bakley posed nude for HUSTLER's *Beaver Hunt*. The starstruck Bakley had a lifelong obsession with fame, which she finally achieved with her notorious death.

Twenty-four years ago, Bakley told HUSTLER that she'd "like to get it on with either Frankie Valli or Elvis Presley." This photo, faked by Bakley, was as close as she ever came to the King.

Bonny finally landed a celebrity mate, reportedly by entrapping the former Little Rascal through pregnancy.

L.A. detectives dig for clues near the scene of the crime.

As a June '77 Beaver Hunt contestant, then known as "Lee Bonny Bakley."



When these two lovebirds wrote their own wedding vows, the pair discovered that inspiration comes in spurts. However romantic it may seem for newlyweds to be attached at the hip, the ceremonial blowjob was decried as tasteless by many guests.

Nate U. of Clinton, Iowa, pops $150 in his pocket for this romantic load. Spew your antiquated smut to HUSTLER's "Porn From the Past," 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Include a self-addressed, stamped envelope if you want the material returned.

Bob Kerrey's Stump Speech 2004

"Rend Me Your Ears"

Former senator and Presidential hopeful Bob Kerrey recently disclosed that, during the Vietnam War, he led a Navy SEAL unit that massacred innocent civilians—primarily women and children—in a 1969 raid. The nightmare of Kerrey's bloody rampage lay dormant in the recesses of the politician's brain until a fellow squadmate spilled his guts, sharing details of the villager-slaughtering frenzy.

The Nebraska Democrat admits to suffering personal anguish, shame and guilt for his murdering spree, yet offered no apology. Shortly after his revelation, Kerrey announced that he wouldn't be seeking the White House in 2004, though keen ears will note a distinctly Presidential ring to his evasive nonatonement. For Bob Kerrey, the truth is indeed a slippery slope.

Cruel Characters Give Warner Bros. Cartoon Nightmares

Hurtful Hilarity?

Back in the '30s, '40s and '50s, intolerance was called comedy, and cartoons were actually funny. Recently, Cartoon Network executives decided to air a historical retrospective, but when researchers dusted off "Bugs Bunny Nips the Nips," "Uncle Tom's Bungalow" and "Coal Black and de Sebben Dwarves," parent company Time Warner cried foul. Warner Bros. execs apparently feared that modern audiences confronted with the company's sins of stereotypes past might boycott Warner Bros. merchandise or stage Bugs Bunny burnings. Here are a few lost HUSTLER cartoon characters that Time Warner Inc. would never let you see:

Spadey Crow and Chitlin

Spadey Crow shows his li'l intestine pal how to steal a color TV in "Watts Laugh Riots." Chitlin learns a valuable lesson: "Dat crime do pay!"

Swishy Fishy

Swishy sucks seamen by the seashore in "Blow Me Down There." How much semen can Swishy Fishy swallow? Wouldn't you like to know, fag!

Injun Jew

Injun Jew scalps goy foreskins with his trusty kosher tomahawk in "Bris on the Range." Iroquois-vey!

Tyler's Fuck Club

Tyler (Tyler: Nashville Pussy, August 2001 HUSTLER) says that they call her a slut for wanting to fuck 1,352 guitar players in the Nathan Bedford Forest. I disagree. Tyler is a gem because she is gifted with God's divine spark—the overwhelming urge to procreate and reproduce. Tyler, do me a huge favor and please make it 1,353. —B. J.
Appalachia, Virginia

Settle down, B. J.; we hate to burst your baby bubble, but we're betting that Tyler's on the Pill.

Swabbies Love Beaver

I just read the June 2001 HUSTLER and had to comment about a particular Beaver Hunt girl. Jacqueline, 30, is a very fine piece of work. You should bring her back for more photos and grant her the fantasy threeway she seeks at the same time. —J. M.

Pro-Pee

Thanks for the great piss photo in the July 2001 HUSTLER ("Candy's," ad parody). That stream flowing from her shaved twat looked quite tasty. Please keep showing piss shots in HUSTLER. Though some people think that the golden-shower fetish is perverted or gross, there are many guys out here who find pee very hot. —M. T.
Shrewsbury, Pennsylvania

You're right, M. T., pee is a drink best served piping-hot. Lately, we're flush with support for our whiz pics; so we'll definitely keep 'em flowing.

Bush Debate

I agree with T. H. from Texas in his letter "Trimmed Quim" (Feedback, July 2001). I find hair around the twat distasteful and very off-putting. Sometimes I can't find the cunt lips among all the hair that some girls keep down below. In answer to your question "do you like your pussy bearded or bald?" my answer is, without a doubt, bald. —C. F.
Chico, California

Hair-Brained

In the July 2001 issue, T. H. from Texas wrote about his love of clean-shaven pussies and said that most guys like them that way. On the contrary, most polls show unshorn pussies leading by a large margin. Real guys would rather women threw away their razors than use them on their twats. I think that some sickos started a rumor in fashion circles that hairy muffs were a no-no. Now most women in girlie magazines are completely shaved, though the average woman still leaves her beaver be. Thank God. —J. T.
Quartz Hill, California

Tyler: Nashville Pussy

CONSUMER ALERT: When ordering merchandise through any mail-order supplier, minimize your risk of being disappointed by dealing only with mail-order merchants who accept credit-card payment and have a working phone number in their ads. Any offer that seems too good to be true is probably untrue.

The bush debate rages on. At press time, letters in support of shaving outnumbered fuzz-loving missives two-to-one. Oddly, the muff lovers' letters were twice as long.

True-Blue Reader

I once subscribed to Playboy and a few other magazines, but HUSTLER blows them all out of the water. I will not be spending my cash on the competition anymore. I intend to be a lifetime HUSTLER reader because America's Magazine has the perfect mix of smuttiness and class. —S. S.

"In my [illegible]ble opinion, Larry Flynt is a true American patriot. Keep up the good work, HUSTLER. You are what makes America a great country."

Merle Haggard's view that we are subjects instead of citizens in the corrupt hoax we call a free society (The Gospel According to Merle Haggard, May 2001 HUSTLER). This whole country needs an exorcism, because if things don't change, we're going to turn the entire world into a giant Wal-Mart. Sorry about the messy letter; I wrote it on a manual typewriter for security reasons. —J. A.
Miami, Florida

A giant Wal-Mart? Does that mean that every country will have those super-cheap soda machines out front?

Bush-Bashing Okay

I'm just writing to let you know how much I enjoy your magazine. Everything from the Beaver Hunt to Dear Slut makes HUSTLER a true work of art. When I was a kid, I found a stack of porn mags by a Dumpster. HUSTLER stood out. It always has and always will be my favorite. The fact that you slam George W. Bush on every other page doesn't hurt things either. In my humble opinion, Larry Flynt is a true American patriot, and as much of a hero as Martin Luther King or Bob Marley. Keep up the good work, HUSTLER. You are what makes America a great country. —J. S.

Car 'Toon Calamity

My husband has been receiving HUSTLER for three years, and up until your August issue, I have had no problem with it. The cartoon about Dale Earnhardt made me very, very upset. Not everyone who pulled for Earnhardt is "trailer trash." I live in Albertville, Alabama, on nine acres of land and am in no way, shape, form or fashion trailer trash. The fact remains that, dead or alive, Dale Earnhardt is the best there ever was and the best that will be in NASCAR history. I believe that you owe his fans an apology. —T. L.

Crashing Popularity

I just received the August 2001 issue of HUSTLER. I have been a longtime subscription holder and just recently renewed, but the cartoon about Dale Earnhardt on page 96 was too much for even me. Cancel my subscription immediately and send my refund as promptly as possible. —H. R.
Philadelphia, Pennsylvania

HUSTLER would like to sincerely apologize for our inappropriate use of the term "trailer trash." We're fully aware that NASCAR fans come from all races, regions and walks of life, and that some of them are even landowners. We're sorry if anyone felt left out.

Money Hungry

I recently purchased the June 2001 issue of HUSTLER. I was uncharacteristically dissatisfied with this particular issue. Please refund my $7.99. —S. L.
Lexington, Kentucky

The June 2001 HUSTLER featured a smoking, interracial hard-core layout (Destiny and Lee: Give Up the Gunk), a killer lesbo pairing (Sabrina and Aelita: Journey to Itchy-clam) and a beautiful, labe-splitting centerfold (Is Tally in Trouble?). That's not to mention all the other hot twat jammed into the particular issue. If you're gonna ask for your money back, make sure you put it toward your homosexual conversion therapy.

Sexual Semantics

I resent the language you used in your article about birth-control methods ("Fuck and Don't Procreate," Sex Play, July 2001 HUSTLER). With regard to abstinence, you treat the word virgin as if it were a bad word. I'm a 28-year-old virgin. My girlfriend and I have as much fun as anyone else. To say that it is difficult to adhere to is nothing but propaganda. —A. J.
Torrance, California

"Virgin," a bad word? When we're about to slide in, those shyly uttered syllables are music to our ears. If playing board games before dry-humping on the couch is your idea of fun, then more power to you, kids.

The Pornman of Alcatraz

I've been incarcerated for nearly three years, and I have every issue of HUSTLER since March 1999 in my cell. Sometimes I have to hassle my Moms until she buys and sends me the latest issue. On the rare occasion that an issue doesn't show, I'll trade four packs of cigarettes for it. The assholes who swap smokes for HUSTLER don't realize the mistake they're making. HUSTLER is the best thing going. Keep doing what you are doing, and I'll keep buying. Everyone in here said that you wouldn't publish my letter. They also said that I'm wasting my stamps and my time. Even though I have plenty of both, please don't let me down. —C. F.

Hot Letters

Jack off Jill

I masturbate whenever and wherever I can, even at work. A girl without a boyfriend has to keep herself satisfied somehow. I work as a receptionist at an insurance company and sit out front, waiting for phone calls and visitors, all day. When everything is quiet and no one's around (which is the case every day at 3 p.m.), I slide my handy vibrating egg (I carry it with me everywhere) into my snatch. Then, I come and come. If there's ever a time I can't manage to fuck myself at my desk for some reason, I jack off in the bathroom. I lock the stall and sit on the toilet, spread my legs and frig my wet cunt.

I suspect the guys at work think I'm unapproachable simply because I happen to be very blond and very beautiful. Some of those guys could have me in the sack if they had the balls to try, but they're all pussies—except one. Dave from the mail room understands me. He isn't the best-looking guy in the world—in fact, he's a dead ringer for Steve Buscemi—but I'm no snob. If a man keeps his fingernails clean and his breath fresh, he's eligible. Dave and I have become quite close since he busted me pleasuring myself at my work station.

I was peaking, my little egg vibrating happily away deep in my folds, when Dave rolled in. It's virtually impossible to appear casual in the midst of an orgasm. I was beet-red, my eyes crossed and lips pursed as I struggled desperately to contain my shuddering ecstasy. The strain was too much.

"*Ungggggggggh*," I heaved, the orgasm fleeing my body like a mighty fart squeezed too long between clenched butt cheeks.

Dave stared at me for a moment, completely deadpan. I stared back.

"Helps pass the time," I shrugged. Dave grinned, displaying his large, but very clean, teeth. A boner tented his gray trousers.

"You ever need company?" Dave asked. I nodded. "Follow me," he said.

Dave led me to the mail room, a tiny, closetlike space with no windows, a small, stained sofa and countless letters and packages. I cleared a pile of correspondence from the couch and sat down. Dave locked the door and pulled his rather large cock out of his pants, not wasting any time.

"Show me how you make yourself come," he croaked, stroking his peter.

"Depends," I began, pushing my skirt up around my waist and sliding my panties to my ankles. I spread my legs wide. My wet pussy lips *smacked* apart. "At my desk, I use my egg." I plucked the plastic ovum and its handy remote control from the inside pocket of my suit jacket.

"It's very discreet," I explained, tucking the dainty vibrator into my vagina. "Would you like to operate the remote?"

Dave seized the control, his fingers trembling with excitement. I reclined on the sofa, draping one leg over the back. Slowly, Dave turned the dial. The motor whirred to life. A gentle hum permeated my cooch.

"*Mmmm*," I purred, sucking my fingers and rubbing the slick digits over my clit. I rocked my hips gently as the egg pulsated against my sugar walls. Dave clicked the buzzer higher and rubbed his boner.

"Jack off for me, baby," I cooed, unbuttoning my white, silk blouse and squeezing my tits. My crotch was hot and tingly. The egg throbbed more insistently. Girl juice drizzled like honey from my slit and soaked the sofa's dingy beige upholstery.

Dave stared at my pussy and yanked his stiff meat. Pre-cum glistened on the tip like a pearl.

"Good, honey," I moaned. "Now crank that baby to high."

Dave punched the level "10" button. My hips shot forward, then back. I felt as though my ass *(continued on page 28)*

Kayti Edwards

Mary Poppins's Wild Grandchild

Pictorial Feature Photography by Matti Klatt

From top to bottom: Kayti and her family reenact a scene from The Sound of Music on holiday in Switzerland; a young Kayti romps with granddad Blake Edwards; Blake Edwards and Julie Andrews in the Swinging '60s; Blake Edwards and Julie Andrews today.

Once upon a time, porn star Ginger Lynn described a memorable encounter she had during her attempted transition from skin flicks to mainstream movies. In an interview, Ginger recalled, "I got my SAG card doing [the 1989 John Ritter romantic comedy] *Skin Deep*. Director Blake Edwards picked me out of a whole group of extras. He said he and his wife [Julie Andrews] enjoyed my work. Imagine! Mary Poppins liked my work!"

It's not hard to imagine that famous Tinseltown couple having an enthusiastic attitude toward porn after meeting Kayti Edwards.

Kayti Edwards is a definitive Hollywood wild kid. She is the granddaughter of Blake Edwards, known for helming movies such as *Breakfast at Tiffany's*, *Victor/Victoria* and the *Pink Panther* series, and the adopted granddaughter of screen legend Julie Andrews.

In the care of her famous grandparents, Kayti grew up fast, living in Malibu, California, attending a posh boarding school and vacationing at the family chalet in Switzerland. Kayti's tendency to stir things up was evident early on. "When I was eight or nine at boarding school, I was the girl who pulled the fire alarms in the middle of the night. The sprinkler system would automatically turn on and just soak everyone," laughs Kayti. "I liked it."

Kayti's parents split up when she was two. Her father went on to marry Bruce Lee's widow, Linda Lee, while her mother, Jennifer, Blake Edwards's daughter by a previous marriage, became an actress. Recalling her close relationship with Blake and Julie, Kayti explains, "They raised me, because my mother was 18 when she had me and my dad was 34. Since my mom still had to finish college and other things, I was left with my grandparents. I also have two aunts from Vietnam that they adopted. Technically, they're my aunts, but I think of them as my sisters, because we're all the same age."

Regarding her upbringing, Kayti points out, "Everyone always asks, 'How does it feel growing up as Mary Poppins's granddaughter?' But I don't know what it's like not to have that—what it doesn't feel like. We always had these huge trips, and there were fans stalking us, but

Kayti Edwards, granddaughter of Blake Edwards and adopted grandchild of Julie Andrews, flies high as her grandma's signature character, Mary Poppins.

all of it was just normal. Our home was on those star maps you can buy, and we had tour buses ringing the bell at our gate, asking if they could go in the driveway and take pictures. Then, every Sunday my grandparents would have a big dinner party and invite tons of celebrities. They had a projection room in their house; so we'd watch screenings of movies. It was fun."

At home, Blake Edwards and Julie Andrews also displayed open-minded attitudes toward adult entertainment. "I would go in their room as a little girl," remembers Kayti, "and my grandfather would be on the bed watching a porno. I was so young that it didn't really phase me until I grew up, and then I would think, *Oh, my God, they used to get down-and-dirty and watch porn!* My grandfather had a full collection in his house. His basement was just that. My sisters [aunts] and I would sneak down there and look at it. Back then it was older stuff, lots of '70s porn.

"The public views my grandma as this icon, a proper English lady, because that's what she portrays in her movies, but they don't know."

"But it's normal," continues Kayti. "People do it. The public views my grandma as this icon, a proper English lady, because that's what she portrays in her movies, but they don't know."

One might imagine that the voluptuous twentysomething agreed to appear in a raw HUSTLER pictorial as a way to rebel against her famous family, but Kayti sees it differently.

"I'm the black sheep, but I'm not the black sheep in the sense that I'm rebellious against them. I'm the black sheep in that I pay for my own stuff; I pay my rent," says Edwards. "My whole family is very sheltered. My two sisters [aunts] have their apartment paid for, and my family just takes care of them. I could have that too, but I don't want to be 40 and still doing that. I think I have respect from them because I don't live off them.

"I've paid my rent since I was 16," she adds. "I moved out when I was really young. I've traveled; I've danced, stripped. I've danced topless all over."

Kayti began dancing when she took her ex-husband to a strip club for his

birthday. "The place was having an amateur contest," she explains. "We were drinking, and my ex-husband joked, 'Go do that.' The prize was $1,200. He was egging me on, and after a few shots of tequila, I decided, *I'll do it,* and went on stage and won. I remember thinking, *That was so easy*. We ended up staying there for a month, and the money was about $1,200 a night. That's the reason I did it, and my ex-husband was with me every night for protection. He would sit at the bar, and I would do my thing."

"I was so drunk that I put my leg over him just joking, and the picture made it into the tabloid: 'Mary Poppins's Daughter Dating Ron Jeremy.'"

Kayti's nights of clubbing also introduced her to veteran porn swordsman Ron Jeremy:

"I met him at a nightclub about five years ago. I didn't know who he was when I met him. It was funny, because me and him actually got stuck in a tabloid. Outside a club, those paparazzi people were outside taking pictures, and I was so drunk that I put my leg over him just joking, and the picture made it into the tabloid: 'Mary Poppins's Daughter Dating Ron Jeremy.' I mean, I have never even touched him. He was the one who called me and said, 'Did you see that?' and that was how we became friends. He's a great guy though; he's really cool. People think he's sleazy—well, maybe he is, but not with me. When we hang out, we talk about everything. It has nothing to do with what he does for a living."

It was on Jeremy's advice that Kayti decided to pose for HUSTLER.

"Ron was always saying, 'Come on, Kayti, you should do it. I swear you'd be perfect.' And I said, 'no, no, no,' for years until finally I figured, *Oh, maybe I'll do it,* and then I simply went in and talked to someone."

But this layout is as far as Kayti will go in the world of adult entertainment. In fact, the independent young bombshell adamantly states she'll never pursue a career on any level of the entertainment industry. Ultimately, Kayti wants to help others.

"I want to be a trauma nurse. I want to work in an emergency room," states the sultry, future Florence Nightingale. "I've been to nursing school and finished two years. I need to go for two more."

There's no doubt that Kayti's independent spirit will make her a wonderful ministering angel, but for now, Kayti's pictures will be the spoonful of sugar that helps the medicine go down and the temperatures rise.

A stream of semen arched from Dave's dick and flew gracefully through the air, landing on my belly. I rubbed the warm gunk into my skin.

(continued from page 18) was melting into the velour couch cushions. My coochie throbbed. Sweat beaded on my forehead and chest. I could have come right then, but I wanted to wait for my new buddy. I caressed my thighs and egged Dave on.

"Show me how you whack it, Dave. Tell me what you think about when you jack off. You ever have nasty thoughts about me? Ever pull your cock and imagine how you'd fuck the living hell out of the receptionist? What would you do to me, Davey?"

Dave cuffed his ween. "I'd nail you to the wall," he wheezed, his face red and shiny. "That wall right there with the WHERE'S THE PARTY? poster—I'd slam your pussy right there. With one hand, I'd pin your wrists over your head. With the other hand, I'd squeeze your big, pillowy ass and stuff my fingers in the funky crack. I'd fuck you real hard and watch your big tits jiggle with each thrust. You'd come all over my dick, then sink to your knees so I could spray your pretty face with jizz."

"That's so fucking hot," I moaned, trembling, struggling to fight back my blooming orgasm. I couldn't wait anymore. "Fucking hot...fucking do it, Dave. Come with me!"

My pussy exploded. Dave's pelvis jerked forward; a stream of semen arched from his dick and flew gracefully through the air, landing on my belly with a sputter. I rubbed the warm gunk into my skin and giggled. The egg was still buzzing inside me.

"Turn that thing off," I laughed, tugging at its tail with my orgasm-weakened hand. "It tickles."

Dave killed the engine and flopped next to me. The egg popped from my conch. I handed the wet, warm orb to Dave, who gave it a sniff and a lick.

"Nice," he smiled, smearing the gunk into his palms and huffing the scent. "Now I can sniff your cunt at will."

Dave hasn't pounded me against the mail-room wall quite yet. We're working our way up to that. For now, we tantalize each other with mutual wankfests. Is it still masturbation if you jack off with someone else? Maybe I've finally found myself a boyfriend. —J. L.

Mother Fucker

I love my girlfriend a lot, but not enough to stop fucking her mom. Yeah, I know; everybody's all shocked and indignant when I tell them, but spare me your condemnation. You'd fuck this woman too if you could. Viola—that's my girl Candy's mom—is a babe. See, Candy's only 18, and Viola had her when she was 18; so Viola's not even 40 yet, and she totally looks 25, for real. You know Raquel Welch in that old flick where she's like a cave lady or some shit? My girlfriend's mom is *that hot*, plus she's a super freak in bed. I mean, holy shit, man.

When I met Viola, Candy and I had just started dating. She wanted me to meet her mom. "She's cooking dinner for us; she's very excited," Candy chirped, and I'm imagining this feeble, grandma-type lady hunched over a stove with her back all full of osteoporosis and arthritis and shit. Boy, was I shocked when that "little old lady" answered the door. I almost thought it was a joke at first, like Candy had hired an expensive hooker to spice up our love life. Her mom was standing there wearing short-shorts and a halter top with her tits out to here and all this long, dark hair cascading past her shoulders. She batted her huge, brown eyes and licked her full, pink lips, and I thought, *What the fuck, dude?*

"So pleased to meet you," the hot mom said in a full-on phone-sex voice. "Please come inside."

All through dinner, I was seriously fighting a woody. Even with Candy's stupid little brother sitting next to me, sneaking peas and chicken bones onto my plate, my cock throbbed. Every time Viola passed the crescent rolls or reached for the salt shaker, her hot tits almost tumbled from her tiny terry-cloth top. It was nerve-racking, and I was sweating like a hog.

After dessert, Candy left me alone with her mom because her little brother was bugging her to check out his new LEGO *Phantom Menace* set. I remained frozen in my seat, unable to stand with my hard-on. I knew I should be offering to clear the table or something so Viola wouldn't think I was rude, but I just sat there like an idiot, trying desperately to meditate on disgusting shit—naked, fat men rolling around in oil, for example—in order to quell my raging wood. Inevitably, I'd glance over at Viola, and my flagging bone would rise again.

"Is everything all right?" Viola asked after a long, agonizing silence.

"I...I'm not feeling too well," I blathered. *Shit, now I'm insulting her cooking*, I

Viola's incestuous fuck-babble made me feel wrong and dirty and ready to blow. My vision tunneled as I shot spuzz deep inside the mother's womb.

silently realized. "I mean, dinner was delicious. Maybe I have a head cold or something."

"Poor darling," Viola cooed. "Come, I'll make you some tea."

Viola tugged me gently by the arm. I stood slowly, hunching forward in an attempt to hide the bulge in my crotch. I hobbled into the kitchen like a cripple, Viola still clutching my arm. Much to my relief, she seated me at the breakfast table, where I could once again conceal my stiffie.

"I saw your erection," Viola announced as she filled a teakettle with water. "Don't worry; it doesn't bother me at all. In fact, I'd really like to see more."

My heart stopped for a second. I swallowed hard.

"Timmy will have Candy up there forever. Once that kid starts in on his LEGOs, there's no escaping. So show me your cock."

I gaped at Viola. I couldn't move or speak. She strolled over and casually unzipped my fly. Her hand was smooth and warm as she fished my dick from my underwear.

"Very nice," she remarked, wrapping her mouth around the penis tip. Her tongue was hot. My prick slid past her uvula. She sucked, then bobbed with increasing speed. I wheezed.

"I'd better slow down before you bust," Viola clucked, popping her breasts from her halter and climbing onto the kitchen table. "Eat me some."

Viola lowered her shorts and bent over. Her spectacular ass hovered inches from my face.

"You really think Candy'll stay upstairs?" I asked, but at that point I didn't give two shits. All devil-may-care, I buried my tongue in my girl's mom's conch.

"*Mmm-hmm*, suck it good," Viola crooned, grinding her box against my mouth. "That's right; nibble the lips like that; good, baby, now tongue-fuck the hole; yeah, you know what you're doing."

Nasty mama's sticky juice glazed my face. I gobbled and snuffled at her trough like a pig. I couldn't wait to fuck her raw. I stood up and grabbed Viola by the waist, flipping her over to face me while sliding her ass to the edge of the table.

"Stick it in me," she goaded, thrusting her cunt at me. I gripped her thighs and rammed my cock balls-deep into her trench. Goddamn, her pussy sure was tight for an older broad. After two kids, that twat was still snappier than her 18-year-old daughter's. Viola wrapped her legs around my waist and clutched my neck with her long, painted fingers.

"Fuck me, big man. Fuck sweetie's mama. Oh, God, yes. That's so fucking good. *Yeahhh*, little Candy's got good taste, like her mama."

The bitch's incestuous fuck-babble made me feel wrong and dirty and ready to blow. My balls rumbled insistently; my cock jumped.

"I'm coming!" I yelped. My vision tunneled as I shot spuzz deep inside the mother's womb. She, in turn, was coming all over my dick, her vage spasming wildly. I collapsed into the chair, bringing her with me. Viola draped her head over my shoulder, pussy still gripped tight on my shaft, as we caught our breath. I heard Candy and Timmy hooting upstairs, totally clueless. *You motherfucker*, I thought. *Son of a bitch, you got away with it.*

Candy thinks it's really sweet that I'm always doing favors for her mom—picking up groceries, mowing the lawn, whatever. Sometimes I think that girl wouldn't catch on if she caught me with my dick in her mom's mouth, but I'm sure not complaining.

Secret Lesbo

I'd never touched a girl before; I didn't even think I *wanted* to touch a girl. Then came Yvette. She's so beautiful—dark hair, smoldering eyes—I couldn't help myself. Yvette is my shameful secret. I can't talk about it to any of my friends. My boyfriend would go crazy if he found out, but I have to tell someone how desperate I feel being trapped between two lovers before I lose my mind. HUSTLER, will you listen?

I met Yvette at a high-school friend's engagement party. I didn't know many people there—my friend and I haven't run in the same circles since graduation—and my boyfriend ducked out at the last minute, claiming he had stomach trouble. Like I didn't know there was a big football playoff game that night; *duh*. He's such a jerk. I spent the first hour of the party in a corner by the snack table, sipping white wine and forcing myself to smile. My eyes glazed over. I was bored stiff. I couldn't even hear the power ballads *(continued on page 165)*

Limbo: *Ava Vincent battles for her immoral soul.*

Limbo: *King Midas discovers that his dick has the same effect.*

Limbo: *How low can you go? How about ass-licking?*

Limbo

Directed by Michael Raven.
Starring Ava Vincent, Samantha Stylle, Jessica Drake, Envy, Randy Spears, Dale D'Bone, Evan Stone and Herschel Savage.
Videocassette: Sin City Video.

Ava Vincent bends over backward for *Limbo.* This deeply disturbed smut tale takes viewers on an unflinching exploration into the mind (and other dark, moist recesses) of one of today's sultriest starlets. With this performance, Ava proves herself to be one of the blue screen's best actresses. Vincent delivers lines with a more-than-basic attention to enunciation and uses her body with a natural expertise. Bound to a burning bed with duct tape, Vincent sweats bullets and her delectable body writhes, but her eyes betray a horniness even in the face of imminent death. Later, the blonde vomits on the sheets, then retreats to the bathroom, leaving behind a nasty miscarriage stain. Best of all, the immensely fuckable doll spreads for two nasty scenes, enveloping Dale D'Bone with her sphincters and slurping Herschel Savage's schlong. Ava's method fucking makes it a pleasure to become lost in *Limbo.*

Cherry-Poppin' Mama

A Quickie With Alexandra Quinn

Alexandra Quinn: Oops, she did one again.

Alexandra Quinn is making up for lost time. The 28-year-old starlet, once branded a XXX outcast for performing with a fake ID, has spent her first year back in the biz repaying her dues. Now, an ongoing contest from Elegant Angel Video has Quinn doing God's work—deflowering lonely young mooks. *Erotic Entertainment* caught up with the self-proclaimed "Devirginizer" to learn about her war on male celibacy.

Quinn clears cobwebs from cock.

HUSTLER: You're already known as Slutwoman; what's with "the Devirginizer"? It makes you sound like a goofy pro wrestler.

AQ: Actually, when we started, it was just to win a part in a movie with me, but we got letters from two virgins.

HUSTLER: Were these the first virgins you'd ever fucked?

AQ: Yes, I was a virgin virgin.

HUSTLER: What's the appeal of inexperienced guys?

AQ: It's the way they look at me and how excited they are. And the fact that they're always gonna remember me.

HUSTLER: As opposed to a porn stud who forgets your name immediately after blowing his load in your eye?

AQ: Right. I like to feel special. It's my own way of making myself feel special.

HUSTLER: How touching. Do you feel like you're making a contribution to society?

AQ: In my own little way, I guess. I think I am. But you know what? If your first time was with a porn girl, what would you do after that, when you go for the college girl?

HUSTLER: You might be spoiling these guys.

AQ: That's what I was about to say. I might be ruining lives.

HUSTLER: How many girlfriends are gonna let these guys come all over their faces?

AQ: Right.

HUSTLER: Did either of these virgins fuck you in the ass?

AQ: No, we never even got to that with either one of them. So I still need to get that far with just one of them.

HUSTLER: It might be pretty hard to find a beginner who won't splooge as soon as you ask him for anal.

AQ: Well, I haven't found one yet, but hopefully.

Fucked for the very first time.

Puritan Video Magazine #30: *Charmane, riding star.*

Porn-o-matic 2001: *"Whaddaya mean, he's gotta test my O-rings?"*

Getting Even: *Nikita Denise, split right down the middle.*

The Understudy: *Silvia Saint's stand-in work for Nathan Lane earned her kudos.*

Porn-o-matic 2001

Directed by Jonathan Morgan.
Starring Alexa, Kylie Ireland, April, T. J. Hart, Alexandra Quinn, Brad Armstrong, Lee Stone, Anthony Crane, Jason McCain and Bobby Vitale.
Videocassette: Wicked Pictures.

Porn-o-matic 2001 is the infomercial parody that hordes of spankers have definitely *not* been waiting for. It's a sad irony that a stroke pic about a machine that produces smut with "30% less dialogue" is busting at the seams with feeble jokes shrieked by hose-hound Alexa and accent-affecting Anthony Crane. This being a Wicked flick, however, the snatches are all primo-grade meat. Gifted cock handler April sends bones into orbit with her turn as a choad-craving space alien who huffs Jason McCain's wad rocket. With her unsullied natural breasts, leggy figure and convincing talent for fuck squeals, April effortlessly coaxes showers of jizz. When she's not screaming at the top of her delectably organic lungs, Alexa earns her paycheck with exceptional cock-gobbling prowess. Otherwise, *Porn-o-matic 2001* is an impulse purchase that stiffed consumers will later regret. ***—Clive Thurstwood***

Puritan Video Magazine #30

Directed by Michael Raven.
Starring Charmane Star, Claudia Adkins, Stevie, Julie Meadows, Rene LaRue, Samantha Stylle, Chris Cannon, Evan Stone, Eric Price, Mark Davis and Cheyne Collins.
Videocassette: Puritan Video Productions.

A cast of new slits and familiar clits pack *Puritan Video Magazine #30* with onanistic pleasure. This collection of hard-core vignettes jumps quickly to the point, offering interviews that are just long enough to inspire curiosity, but not boredom. After her cursory intro, Asian tramp Charmane Star slides out of her pink bikini and squats on a meat pole. The slender trollop rides the beef mallet before catching a load on her upturned yellow mug. Newcomers Claudia Adkins and Stevie tag-team Eric Price. Tanned, tall and top-heavy Stevie, though easy on the eyes, defers to the diminutive Claudia, who takes the scene's anal duties with gusto. While the sight of fresh gash always tickles viewer bones, smut veteran Julie Meadows proves that experience still counts as she mews, moans and whimpers while her cooch and ass are pounded from behind. *Puritan Video Magazine #30* is masturbatory gold. ***—N. Getting Even

Directed by Mike Quasar.
Starring Keri Windsor, Felicia Fox, Sophie Evans, Nikita Denise, Dominica Leoni, Justine Romee, Ebony Sinclair, Joel Lawrence, Tice Bune and Bobby Vitale.
Videocassette: Metro Inc.

Bobby Vitale plays a workaholic, wife-hating husband in *Getting Even*. His hardbodied boss, Felicia Fox, also loathes Vitale's missus, portrayed by Keri Windsor. Bobby fantasizes about plugging his employer's holes, but the sucker never seals the deal outside of his psyche. This slice of couples-only sleaze suffers from the same soft-focus videography, cheesy tales of betrayal and laughable acting that practically define the subgenre. A few kinky treats elevate this flick to passable stroke fodder. Tice Bune takes Justine Romee's turd chute for a rough ride, kneading her meaty labes with his fingers as Justine yelps with glee. Vitale eventually enjoys a time-out from his marital vows when Keri hires sluts Nikita Denise and Dominica Leoni as a six-holed make-up gift for her hubby. On balance, *Getting Even* sits squarely in the middle of XXX mediocrity. ***—C. T.***

The Understudy

Directed by Nic Cramer.
Starring Mirage, Kristen, Tina Cheri, Blair, Silvia Saint, Jill Kelly, Randy Spears, Alec Metro and Eric Price.
Videocassette: Pleasure Productions.

The Understudy is yet another glossy, Horatio Alger tale featuring Randy Spears as a schlub-turned-stud. In this incarnation, Spears plays a dorky pool boy who becomes transformed by a blowjob from redheaded cutie Blair. Once his pipes are clean, Randy affects a goofy European accent, adopts the moniker Frangelico and begins his new life as a balls-out gigolo. While this offering isn't as nuanced, or technically tight, as other slick narrative-driven porn, the feature retains a sly sense of humor and an unerring eye for steaming sex. Of special interest is a pre-tit-job scene featuring Mirage. The sight of the slender blonde's perfectly formed mid-sized breasts of yore bouncing as she gallops on Alec Metro's prick will inspire longtime fans to clutch their units with nostalgic fascination. Add the always smoldering Silvia Saint to the mix, and *The Understudy* fills in nicely. ***—N. V.***

In Your Face: "Umm, that's my ass."

The Edge: "Sheesh. This happens every time I get stuck in the doggy door."

In Your Face

Directed by Dino Ninn.
Starring Claudia Adkins, Chloe, Isabella, Brianna Banks, Alexandra Nice, Dominica Leoni, Bobby Vitale, Pat Myne, Lee Stone, Mark Davis and Randy Spears.
Videocassette: VCA Pictures.

With a title like *In Your Face*, viewers expect a parade of cum-covered cheeks. Sadly, this quintessential form of ejaculatory debasement is not the flick's focus. The title refers instead to lead swordsman Bobby Vitale. Vitale plays an annoying stand-up whose routine involves verbally bullying soft-focus fantasies out of twitchy nightclub audiences. His act, a sort of Scared Straight for the sexually repressed, inspires Mark Davis to contemplate bumping uglies with the creamy-skinned Claudia Adkins. Davis, ever the oral prince, boosts Claudia to shoulder-height, leans her against the wall and munches her slit like a dog at a bowl of Alpo. Claudia is skewered from every angle, but at the moment of truth, the camera cuts to an extended shot of Mark's climactic "O" face—a sure sign of either an anemic pop-shot or homorific directorial tendencies. *In Your Face* is anything but. ***—N. V.***

The Edge

Directed by Nick Orleans.
Starring Chloe, Ava Vincent, Gwen Summers, Jessie Jorden, Kristina Black, Zana, Steven St. Croix, Voodoo, Lee Stone, Chris Cannon, Jason McCain, Joey Ray, Ian Daniels, John West and Max Steel.
Videocassette: Adam & Eve Productions.

Chloe and Ava Vincent are a pair of well-heeled, stylish slits who go out for a twisted night of kink in *The Edge*. Top-flight production highlights every curve on these drool-inducing tarts as they traipse from one perverted situation to the next. Chloe partakes in a spunk-churning fuck with Lee Stone in an empty porn theater. As celluloid sluts debase themselves on the silver screen, Chloe submits to Stone's crooked schwang with the commitment of a true pro. Every set piece in this lavish production is memorable. A decadent party replete with tuxedoed swordsmen who probe Ava's glistening orifices is well shot and definitely rewind-worthy. New starlet Zana handles cock with the skill of a veteran while still flaunting the unspoiled looks of fresh flesh. A fine addition to any sleaze connoisseur's collection, *The Edge*'s lusty heat knows no boundaries. ***—C. T.***

Coming of Age

Directed by Mark Webb.
Starring Keri Windsor, Jill Kelly, Lauren Montgomery, Lola, Jewel De'Nyle, Tabitha Stevens, Sydnee Steele, Julian, Mark Davis, Mickey G., Kyle Stone, Dale D'Bone, Cheyne Collins and Herschel Savage.
Videocassette: Jill Kelly Productions.

In *Coming of Age*, Keri Windsor plays a rich bitch who eschews country clubs and society dinners for raunchy swing parties with her close friends. As the first part of a two-tape XXX epic, this feature barely starts the ball rolling. Establishing that Windsor is a blue-blooded lass eats up an excessive amount of tape at the expense of genuine boner bait. It's not until the help (Lola, Mickey G. and Kyle Stone) take a break from housekeeping for a sweaty poolside threeway that meat candles begin burning. Soon after, real-life couple Jill Kelly and Julian offer the tape's most intriguing bang. When Julian spoons his fuckmate/boss and pounds her snatch, the carnal intensity is both palpable and contagious. As Kelly catches a sloppy load of seed on her tongue, viewers wish that *Coming of Age* had bloomed much sooner. ***—N. V.***

Behind the Scenes #7

Directed by Tom Stone.
Starring Silvia Saint, Tera Patrick, Lacey, Jane, Princess, Gina Fox, Mark Anthony, Brandon Iron, Lee Stone, Mark Davis, Nacho Vidal, Lexington Steele, Christian and Carlos.
Videocassette: Odyssey Group Video.

Ever wonder if making bad porn is as boring as watching it? *Behind the Scenes #7* answers in the affirmative, displaying how a gaggle of smoldering sluts can't save tedious video footage of porno crews at work. Even the sight of luscious Tera Patrick posing for stills with Mark Davis's cock in her mouth loses its charm when the caramel-skinned lass babbles inaudibly to the director, complains about the jizz soaking her hair, and spends most of her time looking lost. Gina Fox's bubble-headed giggle grows disturbing when it becomes clear that her relentless tittering is her response to everything from taking a big one in the poon to toweling the spunk from her fake chest sacks. The vacant stares and halfhearted horseplay of smut peddlers at work will make strokers watching *Behind the Scenes #7* appreciate their day jobs. ***—C. T.***

Coming of Age: *Isn't Herschel a little old to be breast-feeding?*

Behind the Scenes #7: *"All right, Mr. DeMille. I'm ready for my tit-fuck."*

Scared Limp

When Hard-Core Frightens

The horror of elder porn.

HUSTLER Editors don't spook easily, but even after viewing hundreds of hours of smut, some atrocities still give us the creeps. In honor of Halloween, *Erotic Entertainment* conjures a list of XXX scare tactics that haunt our porn-addled brains.

Ron Jeremy: Sure, the Hedgehog is a beloved icon to mooks everywhere, but no amount of fan love can lift the fuzzy man-thing's curse.

Bad Tit Jobs: Dr. Frankenstein has nothing on hack cosmetic surgeons. The horrific damage that is too often wreaked by chintzy silicone or lazy scalpel work is off-putting and also terribly sad.

Male Ass: Logic dictates that man-butt is a necessary hard-core evil, but when a cameraman or photographer lingers too lovingly on a dude's cheeks (or even worse, anus), the heebie-jeebies are sure to follow. Shrieks of terror echo through the halls during the rare, and uncalled for, penetration of said male bums.

Porn-Chick Fashion: Beyond the understanding of mortal man, the amped-up stripper wear and gaudy vamp costumes popular with XXX starlets exceed mere fashion faux pas—these garish outfits are downright frightening.

The Big, the Small and the Ugly: Even Todd Browning's *Freaks* spared viewers the intimate copulatory knowledge of its midgets, fat ladies and hatchet-faced mutants. Unfortunately, the purveyors of sideshow porn make no such concessions to decorum. The horror.

Fluid Fetishism: While the pop-shot stands as a sacred cow of smut, the copious flow of sperm, spit and other, unidentifiable ichor never fails to turn our stomachs. Wanna lose your lunch? Try to imagine what it smells like on the set of a *bukkake* video.

Bad Skin: The camera is an unforgiving voyeur with an eye for dermatological disaster. Add bad lighting and poor (or no) makeup to the mix, and some hapless fuck stars are cursed with chimpanzee acne that would make Edward James Olmos's wife barf.

Acting: Let's face it, the cast of *Night of the Living Dead* was more lively than even the best XXX thespians.

Filmmaker Hubris: Self-obsession, though not exclusive to them, takes a disturbing turn in the hands of many XXX directors. In cameos or, God forbid, as onscreen hosts, the groundless narcissists radiate David Koresh intensity while their product reeks of Ed Wood incompetence. When their hideous visages and super-deformed egos overshadow the sex, be afraid. Be very afraid.

Above: Plastic surgery disaster. Right: Dressed to kill brain cells.

The wrong kind of wet look.

Come Under My Spell: *Cebu and friend blatantly ignore OSHA safety guidelines.*

Pimped by an Angel: *"I swear, Mr. Gabriel, I gave you every dime."*

Whack Attack #9: *Kamy's anal defenses were easily defeated.*

Come Under My Spell

Directed by Danny Garrelli.
Starring Caroline Pierce, Darla Crane, Cebu, Sydnee Steele, Cassie, Joelean, Champagne, Tori, Sydney, Scarlett, Paul Laflore, Flash Gordon, Tice Bune, Guy DiSilva, Evan Stone, Chris Williams and Rob Seven.
Videocassette: Arrow Productions.

In *Come Under My Spell*, hypnotist Rob Seven mesmerizes glassy-eyed gash by waving his hands and blurting, "Trance!" Despite Seven's inane hypnotist shtick, this flick still manages to levitate pricks. Most of the girls have fresh, unfamiliar faces and supple cock-slots to match. Additionally, the tape is packed with eight hard-core couplings, seven of which end with facials. Carnal magic from professional sheet-wreckers Sydnee Steele and Darla Crane compensates for the hokum-pokus of the creatively impaired Seven. The hypnotic swaying of Crane's juicy meat flaps alone (during a particularly sloppy anal plundering) makes *Come Under My Spell* difficult to turn away from. ***—N. V.***

Pimped by an Angel

Directed by Jerome Tanner.
Starring Sky, Brianna Banks, Gwen Summers, Claudia Adkins, Mikio Lee, Valentino, Chris Cannon, Dale D'Bone, Evan Stone and Joel Lawrence.
Videocassette: Legend Video.

Closer to *It's a Wonderful Life* than *Touched by an Angel*, Jerome Tanner's *Pimped by an Angel* centers on Gwen Summers's suicidal hooker character and not on bottle-blond cooze Sky, who is featured on the box cover. Gwen considers blowing her brains out when Valentino, the heavenly pimp, comes to show Gwen how her generous fucking and sucking made the world a better place. Dazzling whores such as Brianna Banks and Claudia Adkins are shown suffering demeaning penetrations at the hands of rude johns. How Gwen's whoring improved their lives isn't clear, and Valentino's bogus pimp-speak is an affront to 'ho-handlers everywhere, but the sheer quality of the snatch on screen overshadows these problems. Gwen's final rough fuck with Valentino is a slap-happy classic. *Pimped by an Angel* is an answer to perv prayers everywhere. ***—C. T.***

Whack Attack #9

Directed by Tom Byron.
Starring Taylor St. Claire, Samantha Stylle, Eve, Brooke B., Kamy, Jewel De'Nyle, Nikita Denise, Jessica Darlin, Tom Byron, Lexington Steele and Luciano.
Videocassette: Extreme Associates.

Tom Byron establishes himself as the master of anal mayhem with the butthole violations of *Whack Attack #9*. Byron's stable of shitpipe sirens includes Taylor St. Claire, who has the honor of working with the director himself. Sporting glorious natural mams and an elastic mud chute, St. Claire is the type of slut who can convert any man to the church of the stretched sphincter. After a hellacious reaming, Taylor eagerly slurps down Byron's ass-cured cock, guzzling his ball goo and proving herself to be among the hottest, nastiest chicks in the business. Brooke B. sacrifices her hole for the rectal arts, taking on the telephone-pole pud of Lexington Steele. Brooke suffers every foot of Lexington's love, leaving the stud drained and utterly grateful. Only the annoying Samantha Stylle keeps *Whack Attack #9* from tearing the browneye-video genre a new asshole. ***—C. T.***

Dear Slut

Jeanna Fine Tells the Fucking Truth

Love-Drug Junkies

The other morning I decided to kick my afternoon jerk up a notch by popping a 100-milligram tablet of Viagra with my morning orange juice. I barricaded myself in my office, madly stroking my bulletproof hard-on. I came three times in under an hour. Is my recreational use of Viagra as a masturbatory aid dangerous? My wife also eats Viagra to enhance her sexual experiences. Is this a bad idea?

—J. M.
Columbus, Ohio

A pill can't tell the difference between a cunt and a fist. Viagra's sole purpose is to help you generate erections. What you do with that boner is your decision. Tell your wife that many women have already been prescribed the little blue pill because its blood-bringing properties can also create additional sensation in the female genitals. Still, it's usually unwise to abuse prescription drugs or to use someone else's medication; so consult a physician. When it comes to sex and drugs, it's always better to play it safe.

Manhandle With Care

My lover has an incredibly sensitive clit. The nerves in her love button are so excitable that she often feels discomfort from prolonged contact. Do you have any tips for the care and pleasuring of a fragile nubbin? —T. N.
Prescott, Arizona

I suffer from the same "malady" and find that approaching the clit too softly does more harm than good. While the slightest brush or gust of air can make my skin crawl, the firm, friendly sensation of a mouth locked onto my cunt does the trick. It's usually after orgasms or extended contact that my button becomes so engorged and sensitive that I swat every finger, foot and limb away. Communication is the key to deciphering the mysterious workings of female genitalia. Practice mutual masturbation, and always ask your woman what feels good and how you can improve your fingerwork.

Sex, Wives and Videotape

The other day when I was cleaning out the closet, I discovered my fiance's collection of home movies. The dog has a fairly large collection of sex videos he made with all of his girlfriends over the past ten years. I found the tapes to be very hot. I'm not jealous at all, but I'm a little saddened that he's never asked to capture our escapades. Why doesn't my man want to document our sex life? —S. L.
Takoma Park, Maryland

The fact that you two are engaged implies that both of you are serious about your relationship. Commitment and boredom need not go hand in hand. Perhaps your husband believes that, in order to leave behind his sordid past, he also has to abandon his favorite kinks. Come clean and tell your man that a camera would be a welcome addition in the bedroom.

Pain in the Ass

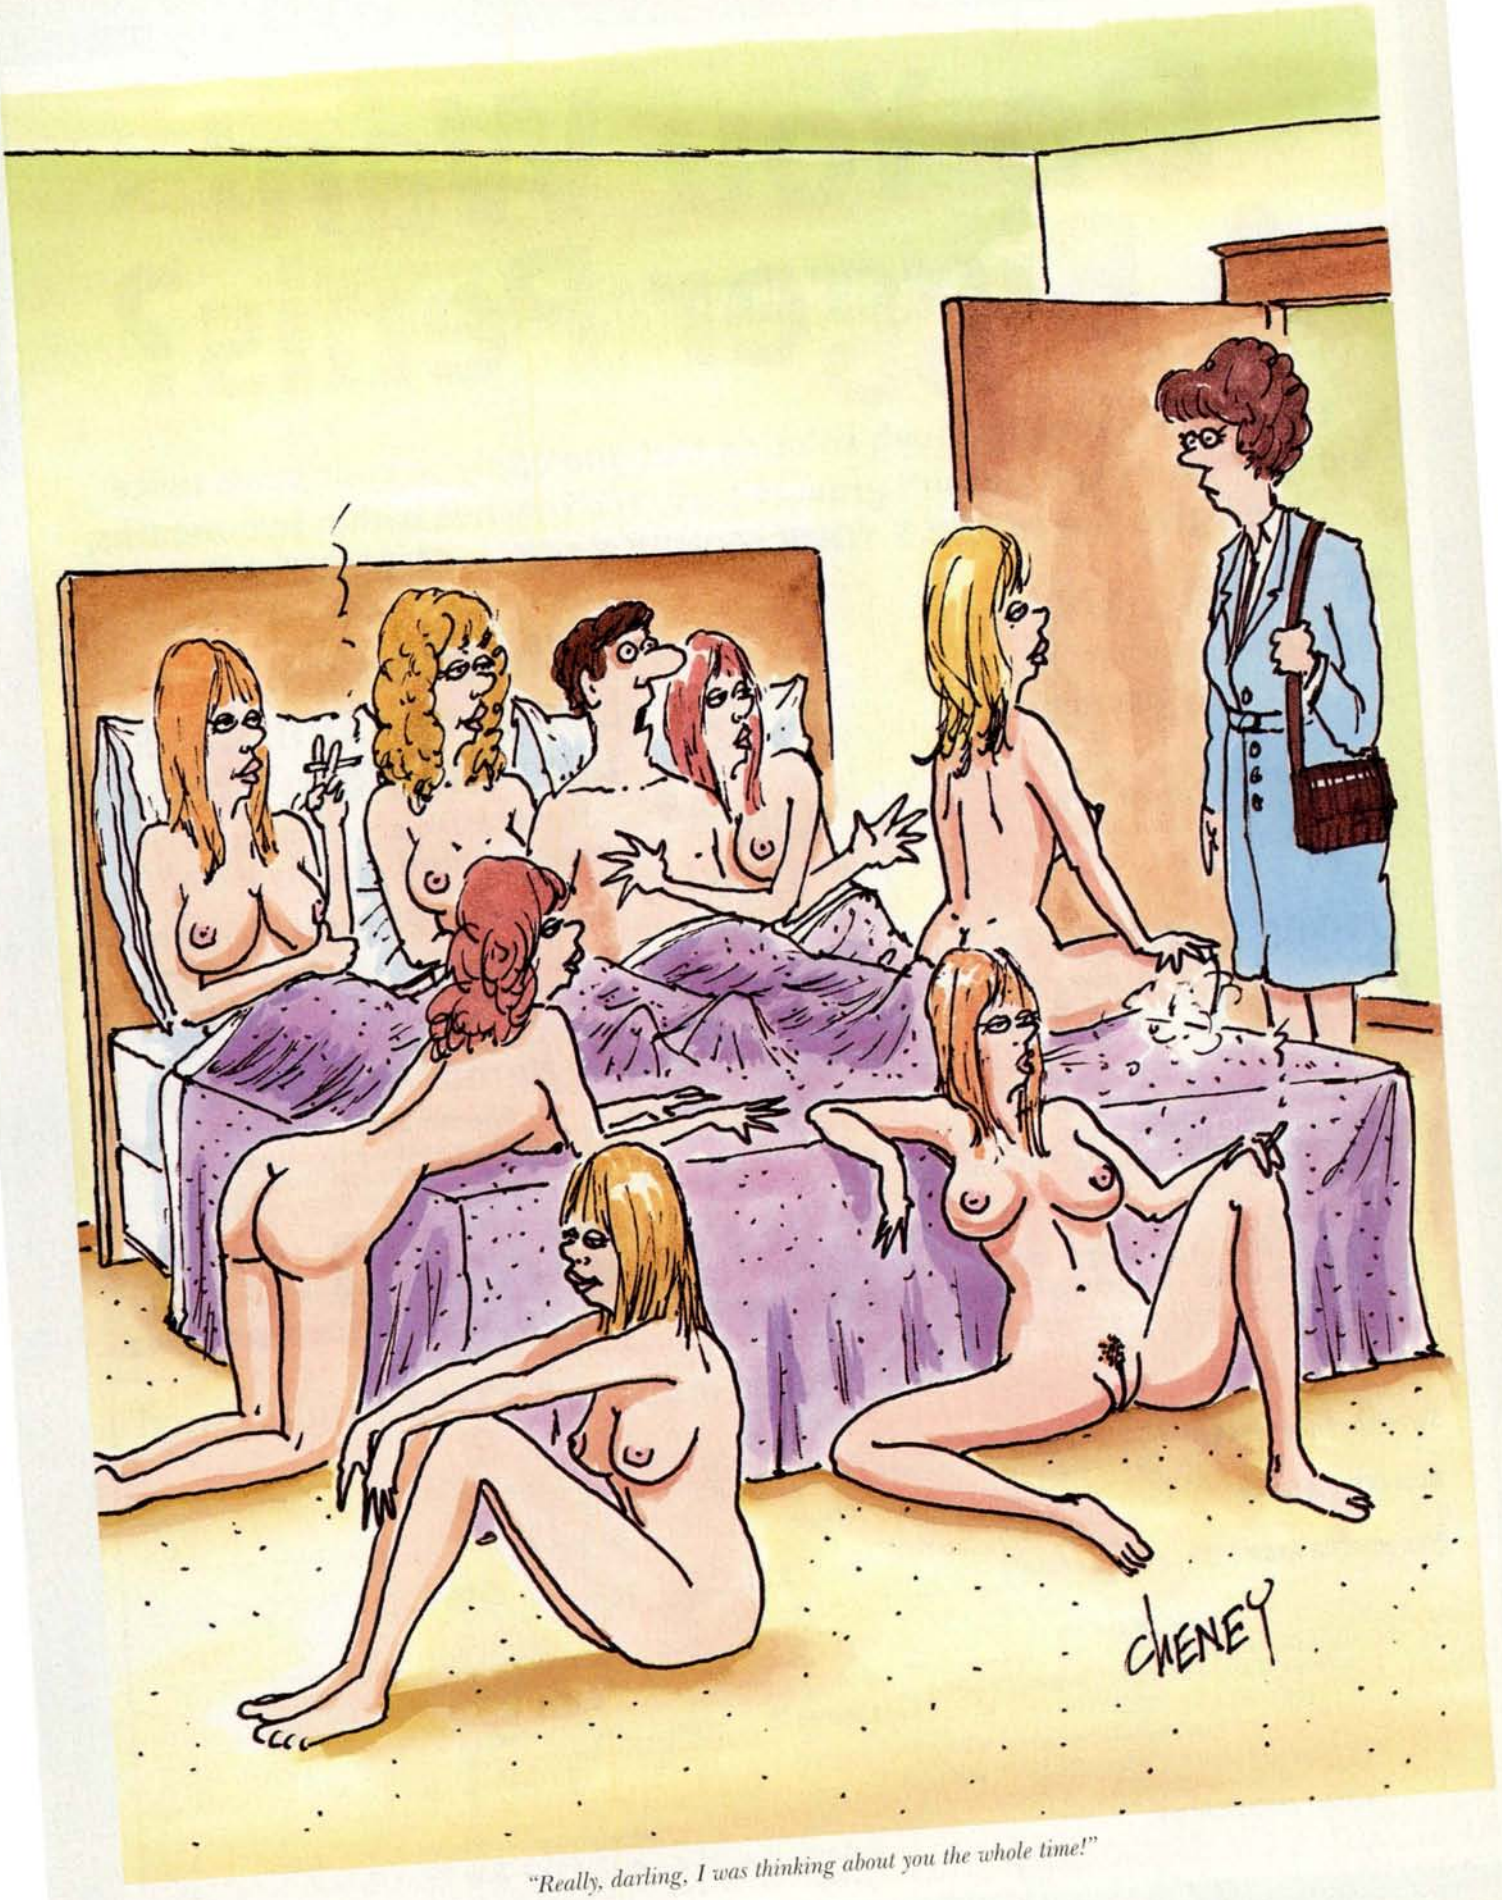
My wife keeps blaming her hemorrhoids on anal sex. I try to convince my love that swollen ass veins have nothing to do with butt-play, but it's becoming harder and harder to make her believe me. Jeanna, my wife reads your column every month and puts a lot of stake in what you have to say. Please help us end our argument once and for all. Can anal sex cause hemorrhoids? —C. P.
Pittsburgh, Pennsylvania

Get your head out of your ass, C. P. Anal sex, especially when performed on unprepared or nervous sphincters, can and does cause hemorrhoids. My suggestion is to slow down. Put more space between butt-fucking sessions and, when they do occur, use more lubrication and sensitivity.

Honey in Hard-core

My current girlfriend is an up-and-coming porn starlet. At first, I thought that her sexual liberation and financial independence were cool. As we grew closer and our relationship matured, my feelings took a 180. It haunts me that my lover is a smart and beautiful girl who can do much better than fucking for a living. When I go down on my sweetheart, I can't help but think of the porn-stud cock that was nestled in her snatch mere hours before. I don't think I can deal with my girl's means of employment much longer. What should I do? —R. D.
Van Nuys, California

The key to a successful sex-pro/civilian relationship is both parties feeling the same way about fucking for a living. We already know your stance; now your girl needs to take a long, hard look at her life and decide where her priorities lie. Don't hold it against her if she decides that screwing for cash is the life for her. Should she make such a decision, chalk this one up to experience and find a girl who shares your philosophy regarding this matter.



"Really, darling, I was thinking about you the whole time!"

Do You Want A Bigger Penis?

Dear Slut

"I've been trying to make my girlfriend's pooper gape, but it immediately puckers up. Is the ability to keep an open ass purely genetic?"

Mook in the Making?

I find my wife sexier than ever now that she is carrying my unborn son. Her hormones have been going wild, and she's dying to be fucked. The doctor told us that sex is okay up to a certain time, but I'm still concerned. We play classical music and read to the fetus because we want our child to have an intellectual head start. I'm worried that sexual activity could negatively impact the child's mental development. Will fucking during pregnancy produce a warped baby?

—D. S.
Conroe, Texas

In most cases, it's physically safe to screw a preggo up until her water breaks. When it comes to managing the psychological effects, use your head. Smacking your wife in the face and calling her a bitch as you furiously pound her ass could profoundly affect an older fetus. When your wife is pregnant, don't fuck; make love. Give your mate positive energy, and your child will receive the same. In fact, many doctors believe that couples who screw during pregnancy have children who feel more like a part of the family.

Wide-Open Technique

How do porn chicks make their assholes stay open after the stud pulls out? I've been trying to make my girlfriend's pooper gape, but it immediately puckers up. Do the anal professionals have more control over their sphincters, or is the ability to keep an open ass purely genetic?

—W. K.
Van Wert, Ohio

It's lack of muscle control that keeps the barn door ajar long after the cattle's gone to pasture. Prolonged ass-fucking retrains the sphincters' instinct to contract, preventing the muscles from naturally closing the orifice. Unless you plan on routinely plowing your wife's ass with huge objects (and stocking up on adult diapers), I'd stick to grasping her ass cheeks and holding her rump open when you pull out.

Spectator Spank

My husband keeps asking me to let him watch while I masturbate, but I'm too embarrassed to do it. He says that it would turn him on, which I just can't understand. I've seen him whack off and, apart from cracking me up, the spectacle didn't do anything for me. Besides, it's harder for me to bring myself to orgasm when he's in the room. Why is my lover so obsessed with seeing me finger myself?

—P. Y.
Kenner, Louisiana

Men are voyeurs; they like to watch. But, whatever it is in their sick and twisted little brains that makes them that way is a good thing, since it keeps guys obsessed with our bodies (not to mention the fact that it pays my bills). If you have a hard time climaxing with your man in the room, fake it. There's no harm in a phony orgasm as long as you take care of yourself later in the game.

Queer as Fuck

Jeanna, I'm thinking about becoming a lesbian, but am turned off by most gay women. Why are TV, movie and porn dykes so hot, while their real-life counterparts are so scary?

—R. V.
Berwick, Pennsylvania

Flaws are a part of life that the entertainment industry rarely chooses to represent in any form. Either embrace them or learn to live with constant disappointment. Besides, "gay" isn't a club that you can join. Face it—you're just a homo tourist; so quit complaining about the scenery.

Beverly Hills OB/GYN

Vaginal Horrors of the Rich and Famous

by Giddle Partridge

Illustration by Jihad

The following day-in-the-life account of a Beverly Hills gynecologist's assistant is all true; however, due to doctor-patient confidentiality, names have been changed to protect the diseased. *For those who think that well-heeled pussies are more pristine than their working-class counterparts, read on. Gynecological malady is the great equalizer.*

* * *

The phone rings at 8:30 a.m. Only a temp agency with an offer for work would be calling me this early.

"Hey, I got a job for you today," says the smooth-talking employment-agency recruiter. "It's a reception job in Beverly Hills, and it pays $10 an hour. Can you get there by nine?"

"Sure, no problem." I throw on an uptight, quasi-professional getup to fit into the rich-bitch, Beverly Hills scene.

I drive to the address; the sign on the door reads GYNECOLOGIST. I hesitate for a while before walking in. A disturbingly pleasant woman greets me.

"Hi, welcome to Dr. Redmond's office. I'm Tricia, the office manager," the chipper automaton says. "Thanks for coming. Your seat will be over there. I need your help with answering the phones. When a patient calls, get as much information as you can and write it down. I'll just be around the corner if you have any questions."

The phone rings. "Good morning, doctor's office," I say in a futile attempt at a cheerful voice.

"Darling, you have to help me. It's Shelly—Shelly Loving," says a woman, who sounds like and, I later learn, is a stereotypical Bel Air billionaire's trophy wife. "Honey, I just did a pregnancy test, and it's blue—navy blue! I must see the doctor."

"Do you have an appointment?" I ask.

"Appointment? The test is positive," stresses the knocked-up drama queen. "I simply can't go on with this thing inside me. I need an abortion today!"

"Let me see if we have an opening," I say.

"What do you mean, you'll have to see? Dr. Redmond has to take this thing out of me this instant."

"Can you hold?" I turn to Tricia. "Shelly Loving is on the phone."

"Oh, is she pregnant again?" asks Tricia. "I'll take it from here. Can you get line two?"

"Are you a nurse?" asks a frantic woman on the phone. "I've been bleeding buckets for two weeks," she continues before I can answer. "And super-thick, dark-brown, fig-shaped pieces of tissue keep dropping into the toilet. My vagina's extremely irritated, and I have a lot of thick, yellow discharge. Do you think I should come in?"

I schedule her immediately.

* * *

Another job requirement, I discover, is to test these women's urine for glucose, blood, protein and infection. Each sample of piss has its own unique scent, as well as extra bonuses, such as pubic hairs, blood clots and marble swirls of brown, stringy juice. Some women excrete thick, dark-orange urine that has the odor and appearance of sour tomato soup. The older women all have flakes of skin in their piss.

The toilet flushes, the door opens, and the patient, a famous television actress, hands me my first specimen of pee. I reluctantly take the warm, piss-filled cup; urine drips down the sides and onto my fingers.

"Did you notice that there are these things that look like little pieces of rolled-up toilet paper floating around in my urine?" she asks, as I walk her to the examination room.

Trying not to puke, I nod my head.

"What could it be?" asks the sitcom star.

"Maybe you should talk to the doctor." I attempt to close the door, but before I can do so, she unzips her jeans, pulls down her pants, and spreads her fleshy, thick, brown, baconlike pussy

lips in order to expose a pus-filled zit the size of a grape. She squeezes the poon pimple from all directions, demonstrating the various ways that pus can ooze from her filthy twat.

* * *

The doctor hands me a tray full of cultures—Pap smears, plates and little plastic tubes full of thick, bloody, green, yellow and white discharge—a virtual rainbow of cunt scum. One plastic tube contains a Q-tip that has just wiped a gluelike orange substance off the cervix of an 80-year-old woman. I open the tube; the smell of rotten, geriatric pussy explodes in my nostrils. I recap the tube and incubate the culture—basically microwaving the vaginal discharge, making the fishy odor even more foul.

The phone rings. "My name is Kim, and my boyfriend said the meanest thing to me today; he said that it smells bad down there. I want to make sure I don't have anything weird."

Two hours later, Kim walks into the office.

"You must be Kim." I recognize her by the sour stench that has filled the entire waiting room.

"How did you know?" she asks.

"Isn't your appointment at one?" I try to cover up.

"Actually, I'm an hour early."

Kim had made her boyfriend sound like a prick, but I have extreme sympathy for him, knowing that he has braved her inner thighs with his mouth, cock and, worst of all, his nose.

I've smelled enough cultures in the past few hours that I can already tell she has the clap and a bacterial infection.

The doctor comes out of the examination room and hands me a plate with a nice-sized helping of Kim's steamy, creamy, neon-green discharge. I incubate the tasty treat and, sure enough, this sick-ass hussy has gonorrhea and gardnerella, a bacterium that causes vaginitis. She shouldn't have wasted her insurance company's money; with one whiff, I could have told her that she needs large doses of antibiotics, and fast.

* * *

Near the end of my shift, Tricia informs me that I have to clean the day's dirty specula. She hands me a bucket containing various pussy-probing instruments, swimming in enzymatic solution. The stainless-steel specula are covered with pussy mucus, KY jelly, blood clots, cottage-cheese discharge and pubic hair.

I ask the doctor why she doesn't use the disposable plastic specula; she insists the metal variety is superior.

Putting my hands in the bucket is like finger-fucking dozens of random vaginas. I might as well be washing the filthy cocks that had polluted these pussies in the first place.

* * *

Shelly Loving struts in for her latest abortion. Her face has been injected with so much Botox that it barely moves as she speaks. The plastic-surgery victim prances around the waiting room in her designer clothes and Christian Dior sunglasses, clutching her Gucci bag.

I lead her to the procedure room. Over the sucking noises of the fetus-removal machine, I hear a cell phone ring. Mrs. Loving actually answers her phone. "Guess where I am," she says. "I'm at my gynecologist's.... Oh, I'm fine. I'm just having an abortion.... No, darling. It's my personal trainer's."

The doctor beckons me into the abortion chamber. "Help her with her underwear," she says, handing me a maxi pad. Mrs. Loving's clit is now swollen, her raw, puffy cunt looks like it's been turned inside out, and her pubic hair is matted with blood. I press the pad against the gooey mess, and I can feel the sick warmth of her recently dilated cervix. Fluids drip out of the sides as I attempt to stretch her panties over the now-blood-soaked maxi pad.

Then the doctor tells me to walk the "product-of-conception jar"—in which the mutilated fetus floats in formaldehyde—down to the lab for pathology. Among the tiny arms and legs, a small eyeball looks right at me.

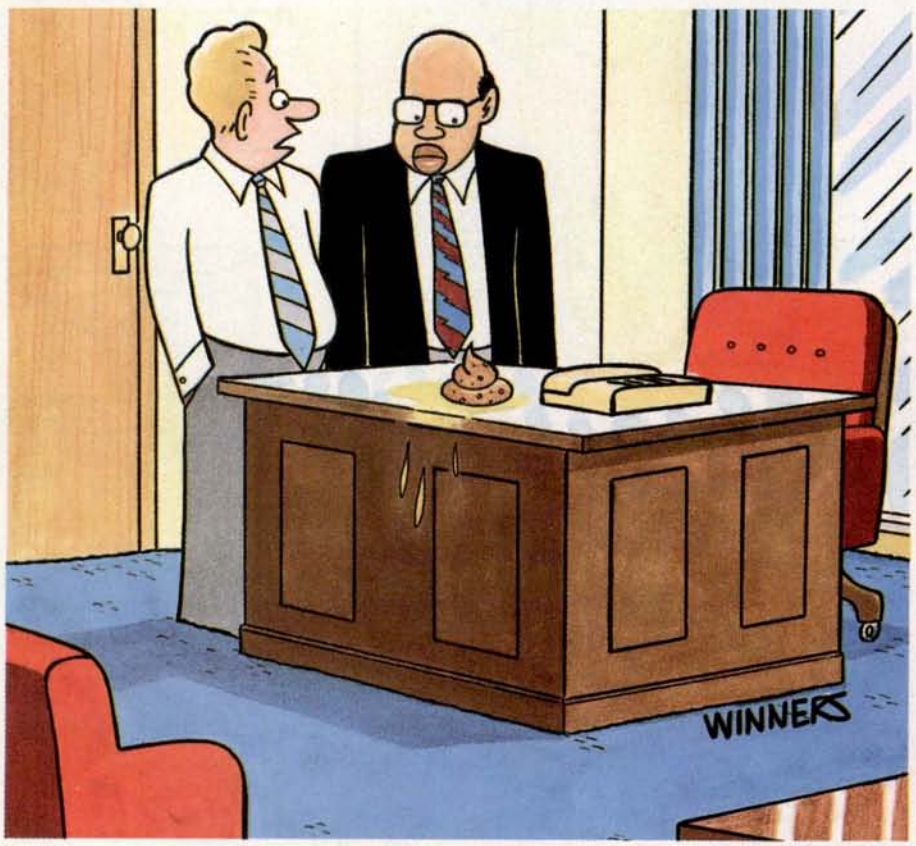
* * *

Finally, five o'clock arrives. Knowing I won't be coming back tomorrow, I ask Tricia to sign my time card. Stuck in rush-hour traffic, chills run up my spine as I look at all the women sitting in their cars. I dry-heave, visualizing what's going on between their legs.

Home at last, I jump into a scalding-hot shower and scour my body with antibacterial soap and rubbing alcohol. I pop a Valium, puff some pot and sip some wine. Only then am I able to pass out from the hardest and most disgusting day I've ever worked in my life.

At 8 a.m., the phone rings. It's the recruiter from the agency. "Good morning; great job yesterday. They're really impressed. Can you work today?"

My stomach flip-flops before I answer. "Sure, why not?"



"It looks like someone came in here and left their resignation."

Fifteen XXX Actresses Reveal the Ups and Downs of Their Career Curves.

Skin Trade

When a XXX starlet talks about her "porn career," she isn't necessarily being oxymoronic. While some blue-screen trollops' decision to take it up the ass on camera is a simple by-product of their carnal libertinism, others carefully plan and cultivate every aspect of their professional trajectory. HUSTLER spoke candidly with 15 actresses at various stages of their careers about what attracted them to—and keeps them in—the business, as well as what they will and won't do for a buck.

Collectively, the actresses we interviewed represent more than 60 years of experience in the porn industry. Storm, the newest to the porn trade, had just finished her initial meeting with an adult-modeling agency, while jizz-biz veteran Amber Lynn has been fucking and sucking on camera for 18 years. All were generous in sharing their insight. For anyone who's ever wondered why a woman rents out her pussy, mouth and asshole in the name of porn, the following testimonials offer illuminating, if sometimes contradictory, answers.

* * *

FRESH OFF THE BUS

Storm I read an ad for nude models wanted about a week ago. It didn't take me long to decide to do it. I'm still a virgin. I'm 18. I just never had time for sex with school and work and everything. Besides, my mother never let me run around; I didn't have a lot of freedom.

This was my first time taking my clothes off in front of a stranger, but it wasn't scary at all. When I was a little girl, I modeled for JC Penney and Sears; so I'm used to being photographed. I'm just not used to being photographed with no clothes on.

My mother is a teacher. My dad is a manager at Xerox. I graduated from high school last year. My parents know what I want to do—I want to be a teacher, and I'm working toward that, in a way. But at the same time, I just want to do what I want right now. I'm thinking about the immediate.

"My goal when I was in high school was to join Disney on Ice. One of my coaches was going to help me out, but I started stripping."

My worst fear is being raped. It's really stupid that I don't have Mace or a cell phone, but I called every one of my friends and left messages about exactly where I was going to be. I even wrote a note and put it in the bottom of one of my drawers so if anything happened to me, my mother would find it. If something did happen to me, I don't know how I'd tell my mom. I'm just going to have to take it as it goes and hope that everything turns out okay.

Krista Leigh I'd always wanted to do adult films since I was a kid. My idol was Savannah, the girl that killed herself. I had posters of her on my wall. I liked the way she carried herself. My mom would tell me I needed to find a better goal.

I came to Los Angeles because I thought the dancing would be better here than it was in Ohio. It wasn't; it's worse. Us girls were all in the dressing room talking. I told them how I wanted to be a porn star, and they were like, "Why are you here? Go to World Modeling, talk to Jim South, and you'll be a porn star." I called Jim South and worked the next morning.

April I'm 23, born and raised in Alaska. My parents are very religious. When I was 16, I wanted to go to a public school. I'd always gone to Christian schools; I wanted to be normal. They didn't want me to go to public school; so I moved out. I got a job at McDonald's. I started dancing and made really good money. I thought, *God, I made more money one night than three weeks at McDonald's; I'm quitting McDonald's.*

My goal when I was in high school was to join Disney on Ice. I've only skated two times since I've been here. One of my coaches, her brother was in Disney on Ice, and she was going to help me out, but I started stripping.

Shanna McCullough Every summer, there are 300-400 new girls that move to L.A. and try to get into the business. They've just gotten out of school. A lot of strippers see the feature [dancers] coming in and making a lot of money; so they think they want to do it too. You really have to do something special or work really hard to make your name.

Allana Evans I've talked to a lot of girls in the business, and we all think that there should be a minimum age limit for girls starting out, 21 years old. I'm 24, and there's still so much stuff I don't know. But I'm more mature. I know now that I don't have to do anything that I don't want to do. If someone's making me uncomfortable, I don't have to work for them. I can just leave. My first year in the business was a trying time, because when you're brand-spanking new, everyone wants to shoot you. All the sleazebags come out of the *(continued on page 78)*

"That's no reason to toss my ass overboard!"

(continued from page 68) woodwork. There's a certain group of men in the business that prey on young girls, because the older ones know better.

SETTING BOUNDARIES

Allison Embers I did about four to five girl-girl films and then went to CES in Vegas. I went to all the booths, passed out my business card. They were telling me, "Oh, you really should do a boy-girl scene; you should do anal." Everyone was pushing for anal. I was like, "I haven't even done a boy-girl scene yet." So my first boy-girl was an anal on *Stop, My Ass Is on Fire #4*. I had only done anal a couple of times in my personal life; so I was nervous. But the guy was really gentle, showed me all the tricks. Since then, 90% of my films have been anal.

Amber Lynn Convincing a girl that she's going to be any more or less popular because she takes a dick in her ass only reflects upon the girl's own insecurity.

Sid Deuce When I first got in the business, there were three girls who did anal, and they were the dirty girls. Everybody was like, "Oh, my God, she does anal; don't talk to her." Now everybody's taking fists in their ass.

Krista Leigh I'd never done a D.P. [double penetration] in my personal life, let alone on video. I'm the kind of person who'll say, "Well, if I'm going to do one line, I'm going to do ten." So I told a director to turn the scene into a D.P. gang-bang.

The six guys were being very rough. At one point, [veteran porn stud] Valentino was jumping up and down on my head with both feet, sitting on my face to the point where I couldn't breathe. Brandon [Iron] kept smacking me, talking a lot of shit like, "I'm going to show you love; this is how you feel love, bitch." I snapped. Through the second half of the scene, I did nothing but cry. But that's what they wanted; so I guess that's what they got.

"When I first got in the business, everybody was like, 'Oh, my God, she does anal; don't talk to her.' Now everybody's taking fists in their ass."

I called my mom on my cell phone. I hadn't talked to my mom in probably a year. I just talked to her and cried until my husband got there.

Sydnee Steele I'll do anything as long as it's not freaky like *In the Days of Whore*. That's not how I want to be seen. When I started, Max Hardcore, Ed Powers—I avoided it. It didn't matter how much more I could make for a scene. I find it degrading to women, the way that they shoot. It's just older guys that pay a bunch of money to get themselves laid in a lot of different ways.

Kiki Daire The gang-bang thing is out for me. I did a six-guy gang-bang, and it brought up some issues I didn't expect to come up. It was too much at once. I finished the scene, even though it was obvious it was uncomfortable. I was crying. They were like, "Are you okay? Need a minute?" I'm happy I did it, though, because now I know.

Alexandra Silk Only the strong survive porno-land. I did a [scene with] Max Hardcore when I was young and still a porno virgin. I had no idea. He's got this big house, and he comes across as the cool guy. I recommend going through a Max Hardcore experience to see if you can survive. If you can make it through *him*....

I've purposely not done gang-bang. It's a fantasy of mine, and I want to save it for my last movie. If I go and hang up my G-string and fuck-me shoes, I want to pick all my favorite guys over the years and go out with a gang-bang.

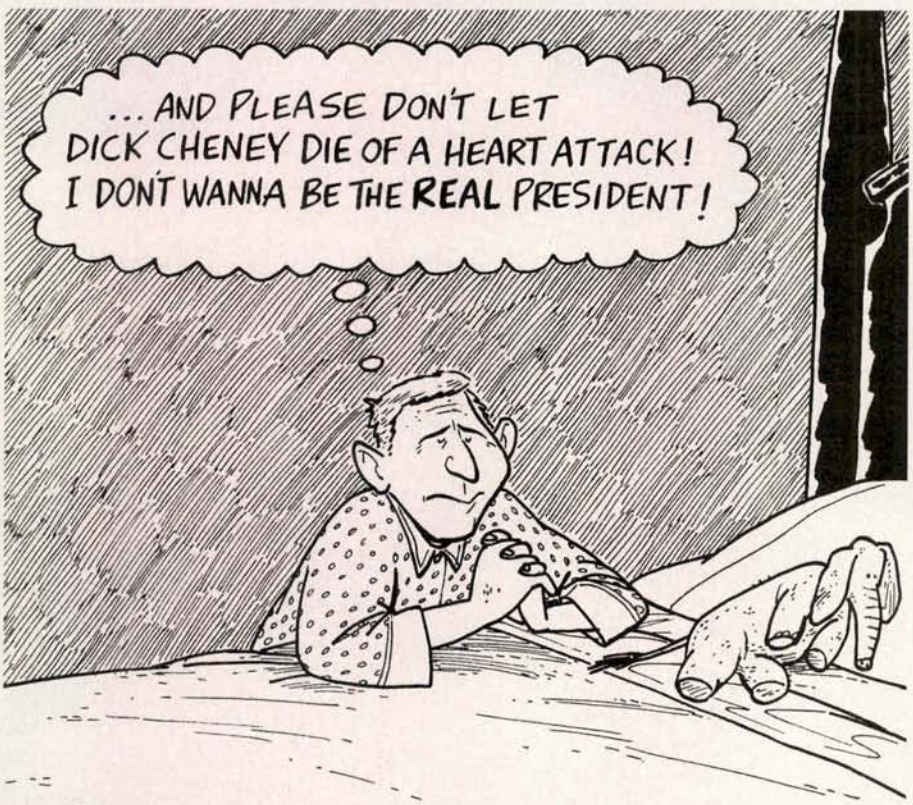
IMAGE ENHANCEMENT

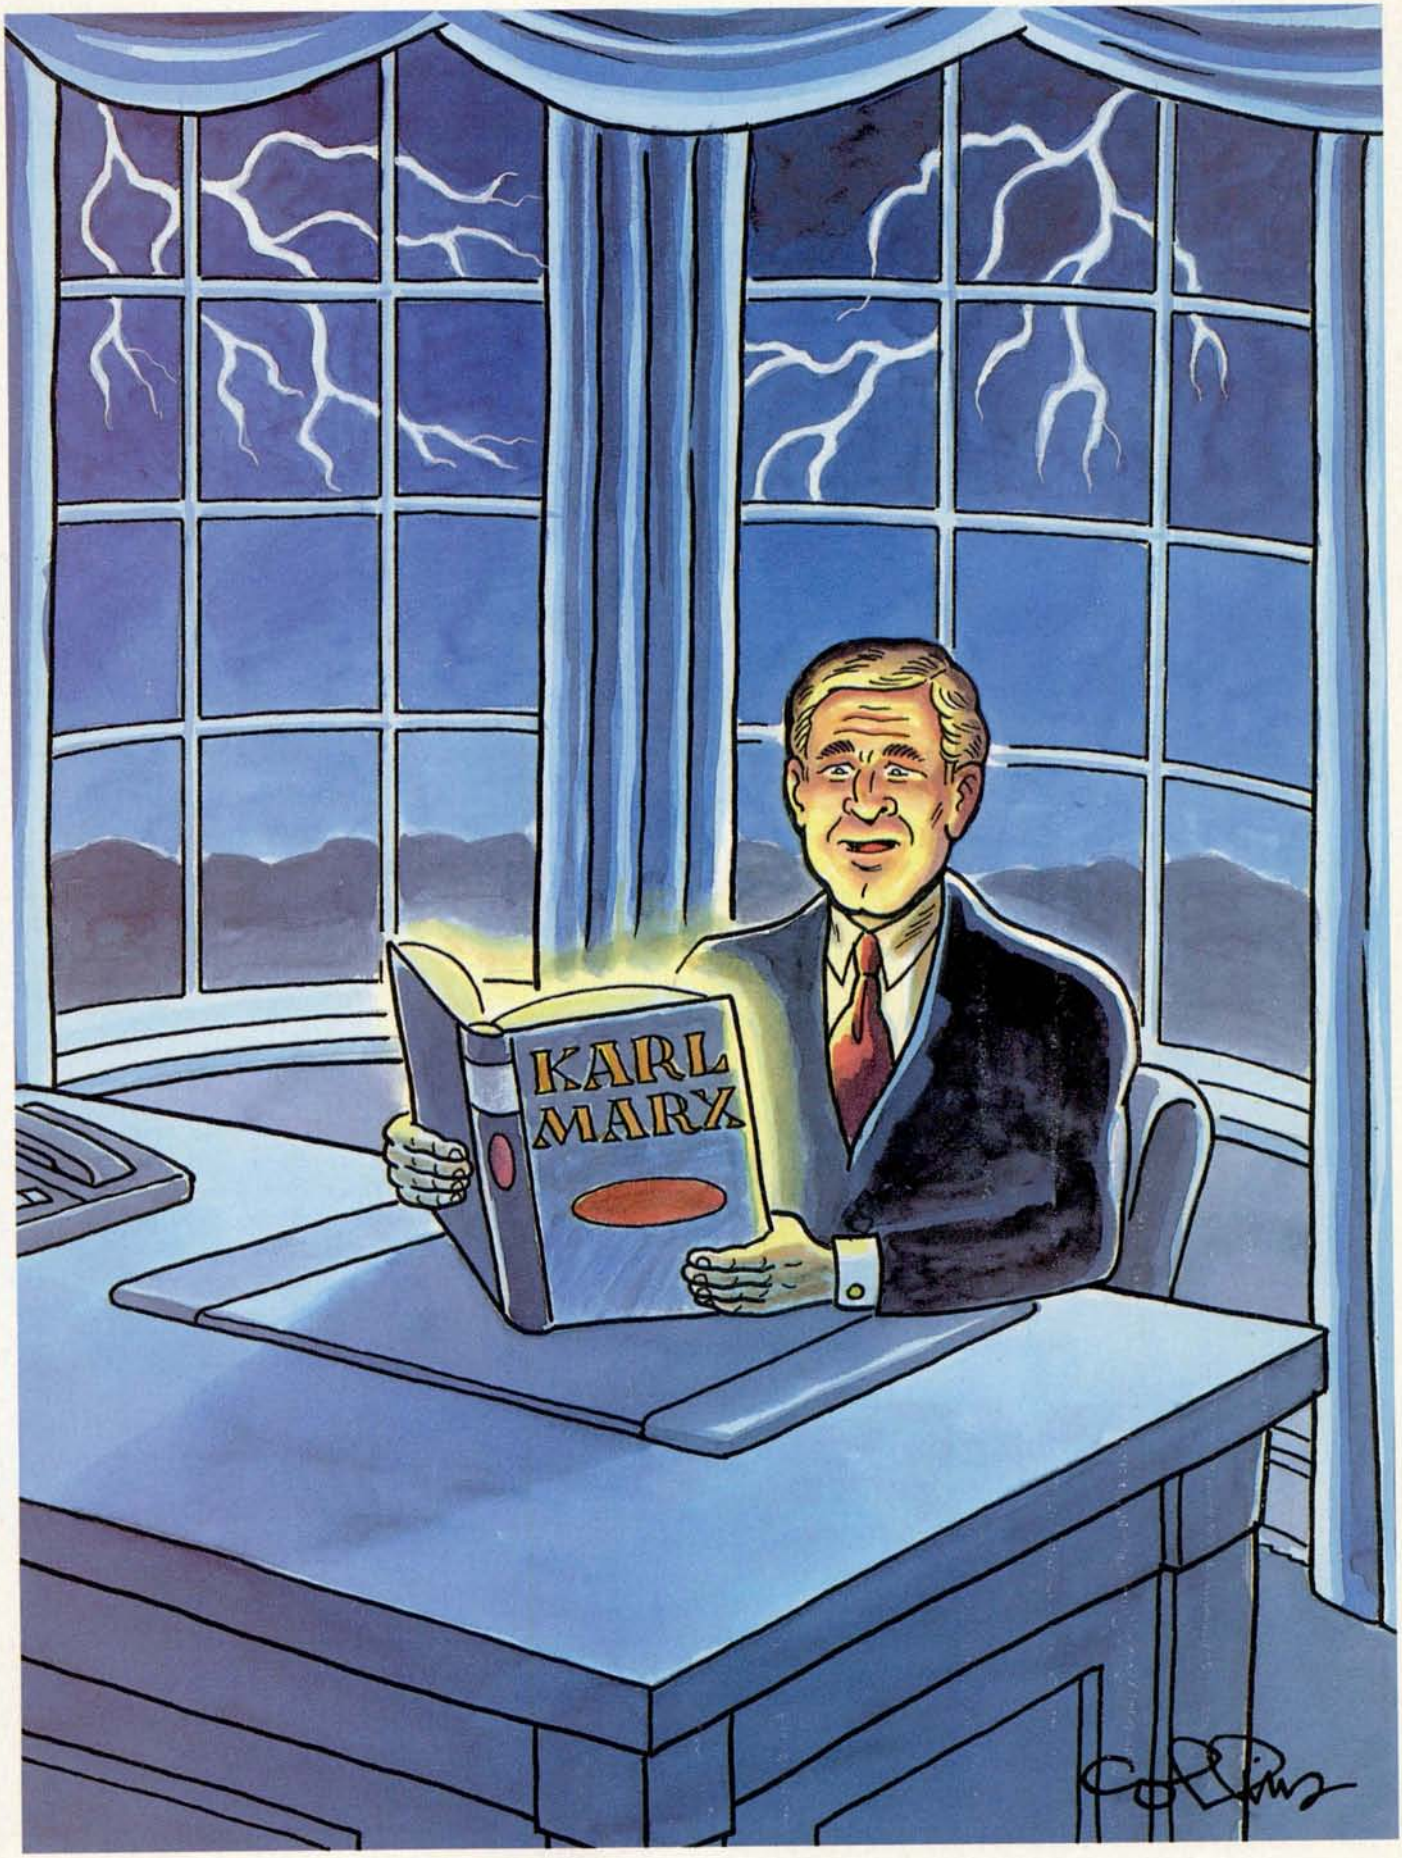
Shanna McCullough I'm glad I started when I did, because it was not as competitive. There were not as many girls; no one had plastic surgery hardly. Now, there are girls who are drop-dead gorgeous and willing to spend money redoing themselves, getting all the plastic surgery they want. Or they'll do the more extreme things—vomit movies, *bukkakes*. You can't just be beautiful anymore.

Sid Deuce I did my breasts because, when I was younger, I did a lot of drugs; it has an effect on your body. My breasts were the same size as they are now, but not as round. If I would have done it for the business, I would have gone quite a bit bigger. The one good thing about the business is they take you at face value; this is who you are. That's it; they either like it or they don't.

Krista Leigh I wanna do feature films. In order to do that, things have to change; my image, mainly. Krista needs to become somebody. I don't know if plastic surgery is the answer. I need to create a whole persona, and I don't know where to begin.

I'm a 36D natural; so doctors tell me I'm crazy. That's why I'm sort of holding





KARL
MARX

off, but I don't know what the answer is. People have told me that everyone who features has implants, so....

Alexandra Silk There are a lot of girls out there who think you have to get boob jobs, and you don't. Do something better with the money, like invest it. Fake boobs are costly, especially when you have to do maintenance ten years down the road.

FRIENDS AND FAMILY

Catalina Old friends will call me once in a while, but I'm never there to answer their calls. If I were, I'd probably say, "I can't talk; I'm busy." They wouldn't understand. If people act worried or concerned, it's all fake.

I have new friends. I have, like—let's see. My agent is important to me, because he helped me into the business. Jim South, he's somebody important. He's a really nice guy. And of course, Max Hardcore. I do a lot of work with him. I would consider him my friend.

Max Hardcore did help me. "Smile, always smile"; that's what he told me. That's basically it. Smile. That's important. You look pretty when you smile. Oh, he also taught me how to shave down there. He told me to shave all of it; it looks better.

Krista Leigh My mom knows I'm in the business. She also knows that I have three kids to support and all I have for an education is a GED. I guess she feels it's better to do this than live on welfare.

April I talk to my parents, but I haven't seen them in a few years. They don't know that I'm in the adult industry. They know that I'm a stripper, because one night I was feeling sorry for myself; so I called my mom and told her what I was doing. She went off. "You're going to hell unless you change. You're never going to get into heaven," and all this crap. Now we don't talk about it.

"It's not that I care about the money, because I'd do it for free. But if they were to say, 'We want you to fuck a camel for $200,' that's insulting."

Sydnee Steele I just sat down with everyone and said, "I have to tell you guys before you find out some other way." That was worse than getting in the business. I said, "What have you always wanted for me in my life, and that's for me to be happy, right? Well, I'm happy." It's not like I'm going to ship them tapes or say, "Hey, I won an award for best boy-girl sex scene."

Sid Deuce It's not like it was a big shock, like I went from being a singer in the church choir to doing porn. I went from being pretty much a slut to doing porn; it wasn't a big stretch.

BEING PROFESSIONAL

Alexandra Silk What happened to me was, I became very dependable. Directors would say, "Get her in first thing because she'll show up in the morning and that'll set the whole day." People wanted to use me for the hassle-free production. Also my attitude: I truly love sex. If you don't like sex, you're not gonna get too far. You wanna be a model, stick with print work.

Sid Deuce When people say they just do porn because they love sex, it's definitely hype. Who wants to watch a tape and jerk off to a girl who's there to get money? Obviously, if you do an interview, you don't want to tell someone, "I really hate sex. I'm just doing it for the money." That just isn't going to get your fans to buy your product.

Catalina I worry about getting a sickness, because I plan on being in the business for a long time. You can't tell if someone is healthy or not based on the way they look. But I guess I rely on my instinct, and my instinct tells me I wouldn't be doing this if I thought it was going to be dangerous.

Kiki Daire It's a very small business. Everybody knows everybody. It's very easy to get a bad reputation in this business. You don't want to show up on the set three hours late. You don't want to show up on a set with any kind of STD—if there's anything green or white coming out of your pussy, stay home.

BUSINESS SAVVY

Zana It's not that I care about the money, because I'd do it for free. But if they were to say, "We want you to fuck a camel for $200," that's insulting.

Allison Embers Basically everyone's competing for jobs. I have a couple people who I'll tell what's going on, like, "Here's a good producer to work for," but then they might like that girl better and that's your job you're basically giving away. Girls are competitive anyways; in porn, it's worse.

Alexandra Silk I preach to the girls to handle [porn] as a business; get tax ID numbers, save receipts for mascara. File your taxes. I started doing these things once I realized what a commodity my own body had *(continued on page 123)*

Jim found a sales job in a giant department store that carried almost everything. After his first day, the manager came by and asked, "How many sales did you make?"

"One," answered the beginner salesman.

"One?" cried his boss. "Most clerks make 30 a day!"

"My sale was worth $300,000," countered Jim.

"How did you manage that?" demanded his superior.

"Well," explained the novice peddler, "a man came into the store, and I sold him a fish hook. Then I sold him some line. When I asked where he was going fishing, he said 'down the coast'; so I said he would need a boat and sold him a 28-foot cabin cruiser. When he said his car wouldn't pull it, I sold him on a new 4x4."

"You unloaded all that on a guy who came in for a fish hook?" sputtered Jim's boss.

"No," he answered. "The customer came in to buy a box of tampons for his wife, and I said to him, 'Since your weekend is ruined, you might as well go fishing.'"

Question: What do rednecks do for Halloween?

Answer: Pump kin.

A doctor walked into a bank. Preparing to endorse a check, he pulled a rectal thermometer out of his shirt pocket and tried to write with it. Realizing his mistake, he looked at the instrument and cursed loudly. The startled bank teller asked, "Is something the matter, sir?"

Annoyed, the doctor sighed, "Yeah, some asshole walked off with my pen."

A crippled man hobbled into a bar on his crutches and sat down. He looked to the end of the bar and was shocked. "Say, is that Jesus over there?" he asked the bartender.

"Yup," the bartender replied.

"Well, give him a drink on me," said the disabled man.

A man with a huge hump on his back came in, asked the bartender the same question, and also bought the savior a round. Soon, a construction worker sauntered in, made the same query, and bought the Messiah another drink. Jesus finished his libations, walked to the cripple and touched him. The invalid jumped up and yelled, "I'm cured!"

He came to the man with the hump. The Son of God laid his hand on the protuberance, and it disappeared. Finally, Jesus approached the construction worker. The hard hat jumped out of his seat and cried, "Don't touch me; I'm on disability!"

Little Nancy was in her backyard filling in a large hole when her neighbor peered over the fence. Interested in what the youngster was doing, he politely asked, "What are you up to there, Nancy?"

"My goldfish died," Nancy replied tearfully, "and I've just buried him."

Perplexed, the neighbor asked, "That's an awfully big hole for a goldfish, isn't it?"

Nancy patted down the last heap of dirt and replied, "That's because he's inside your fucking cat."

A Japanese man walked into a currency-exchange office in New York with 2,000 yen and walked out with $72. The following week he again traded in 2,000 yen, but he was only given $66. He asked the teller why he received less money than before.

"Fluctuations," explained the teller.

Furious, the man stormed out. Just before slamming the door, he turned around and yelled, "Fluc you Americans too!"

Question: What do you call the foreskin on a fag?

Answer: A mud flap.

Three nuns were waiting to be blessed. The priest asked the first nun, "Have you ever touched a penis?"

"Once, with my finger," confessed the sister.

The priest said, "Put your finger in holy water and say three Hail Marys."

The second nun was asked the same question. Before she could respond, the third nun ran in front of her and screamed, "Bless me first! I'm not going to gargle that water after she sticks her ass in it!"

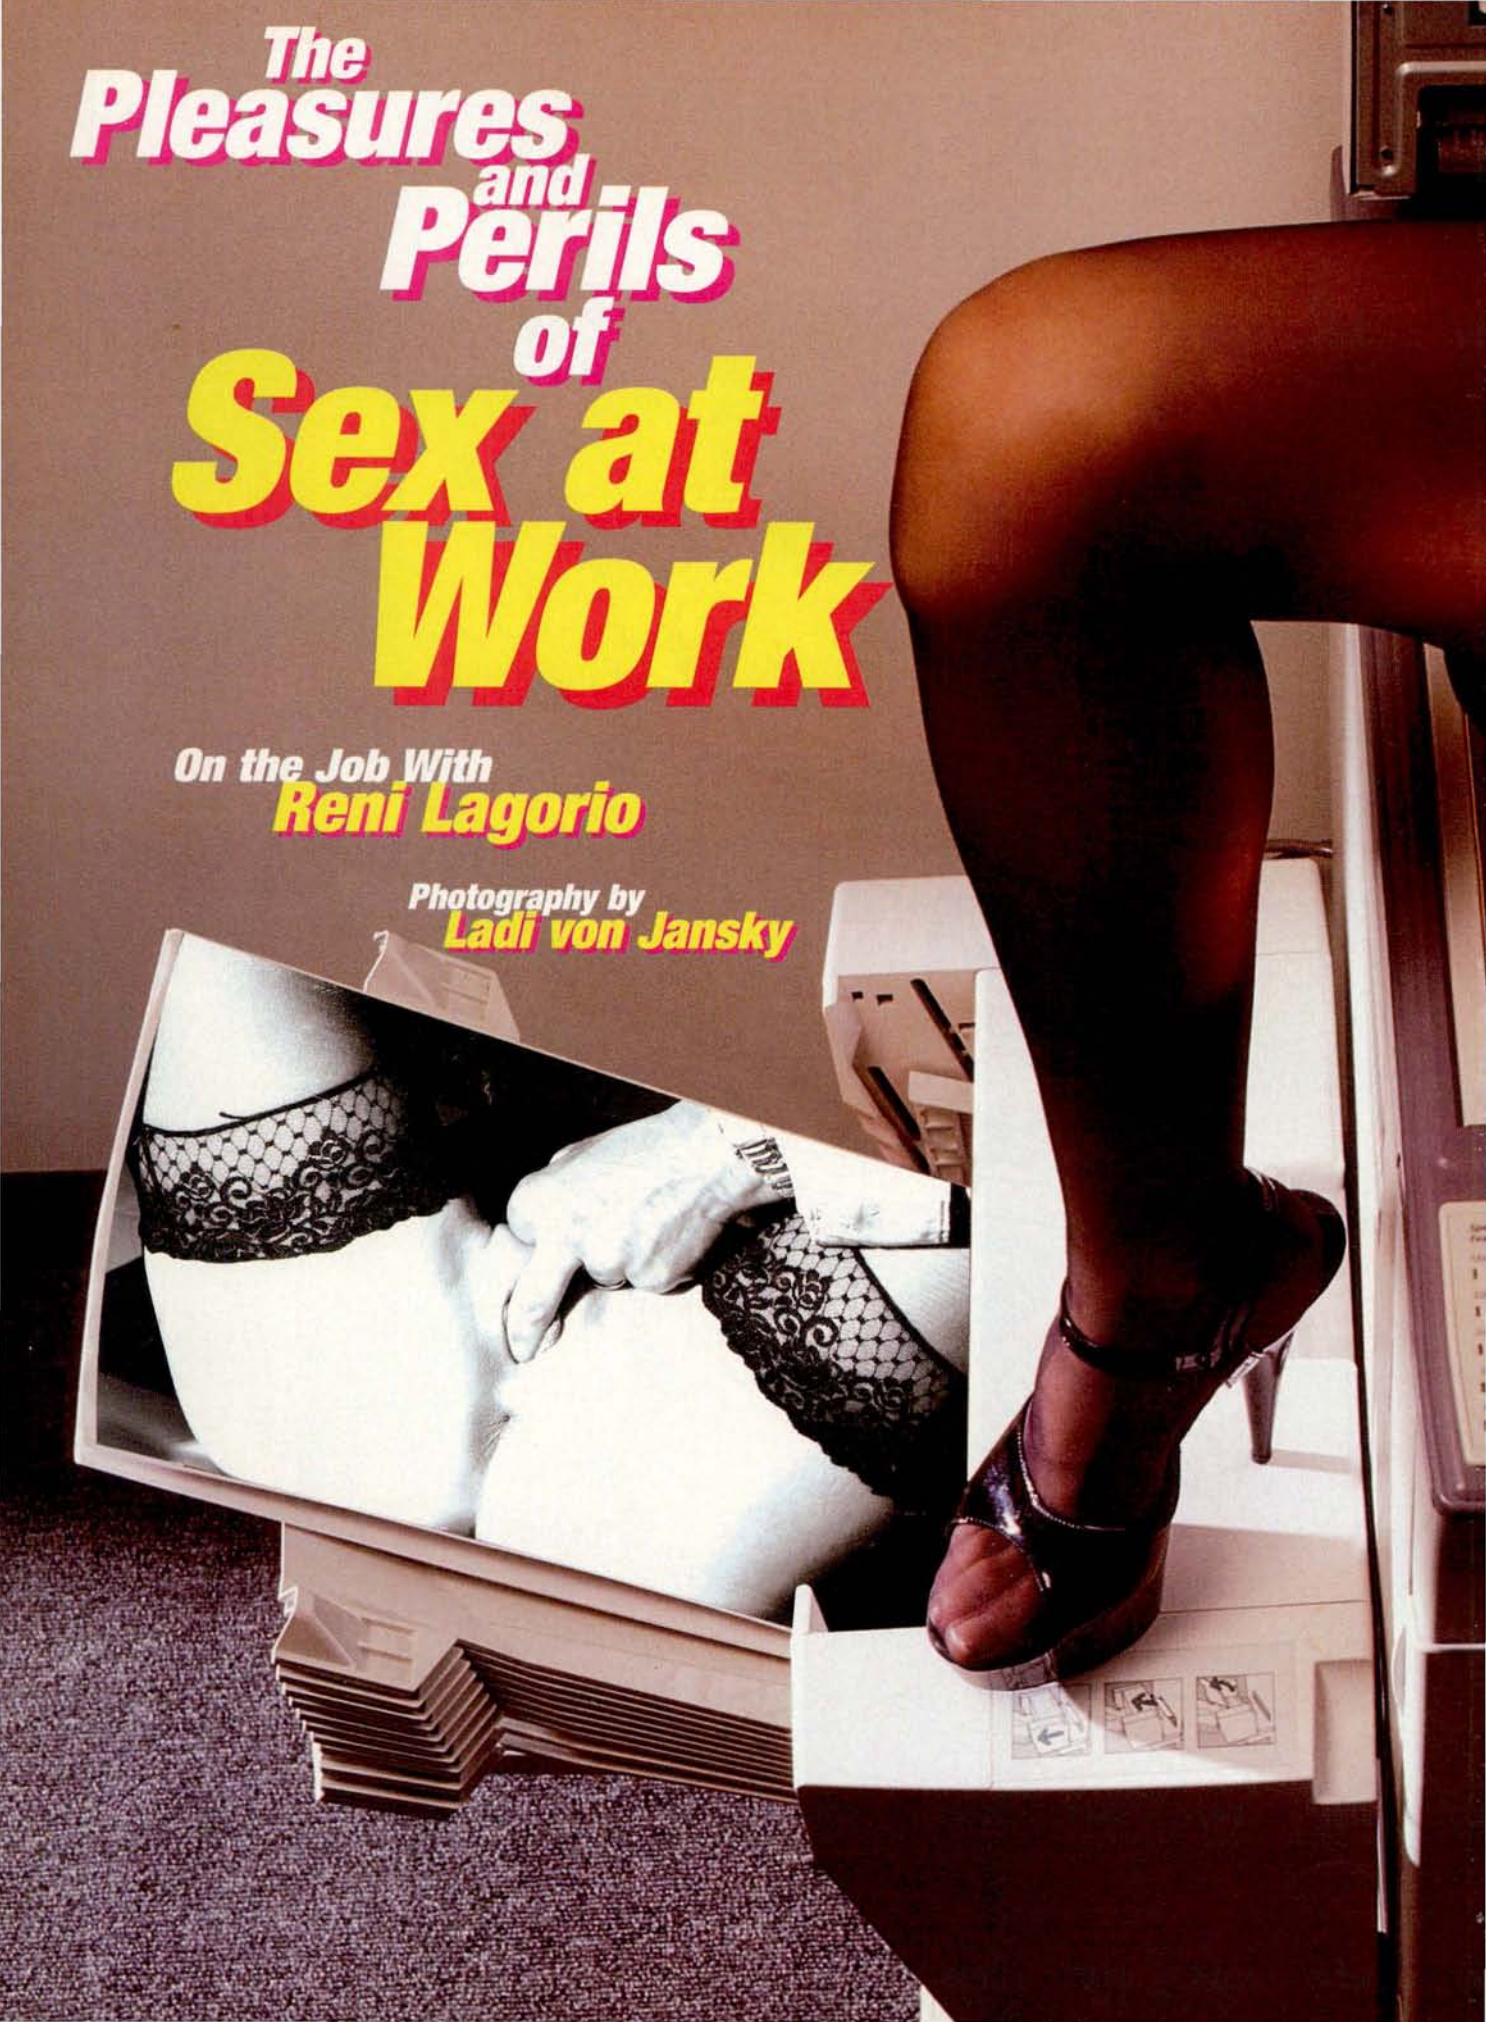
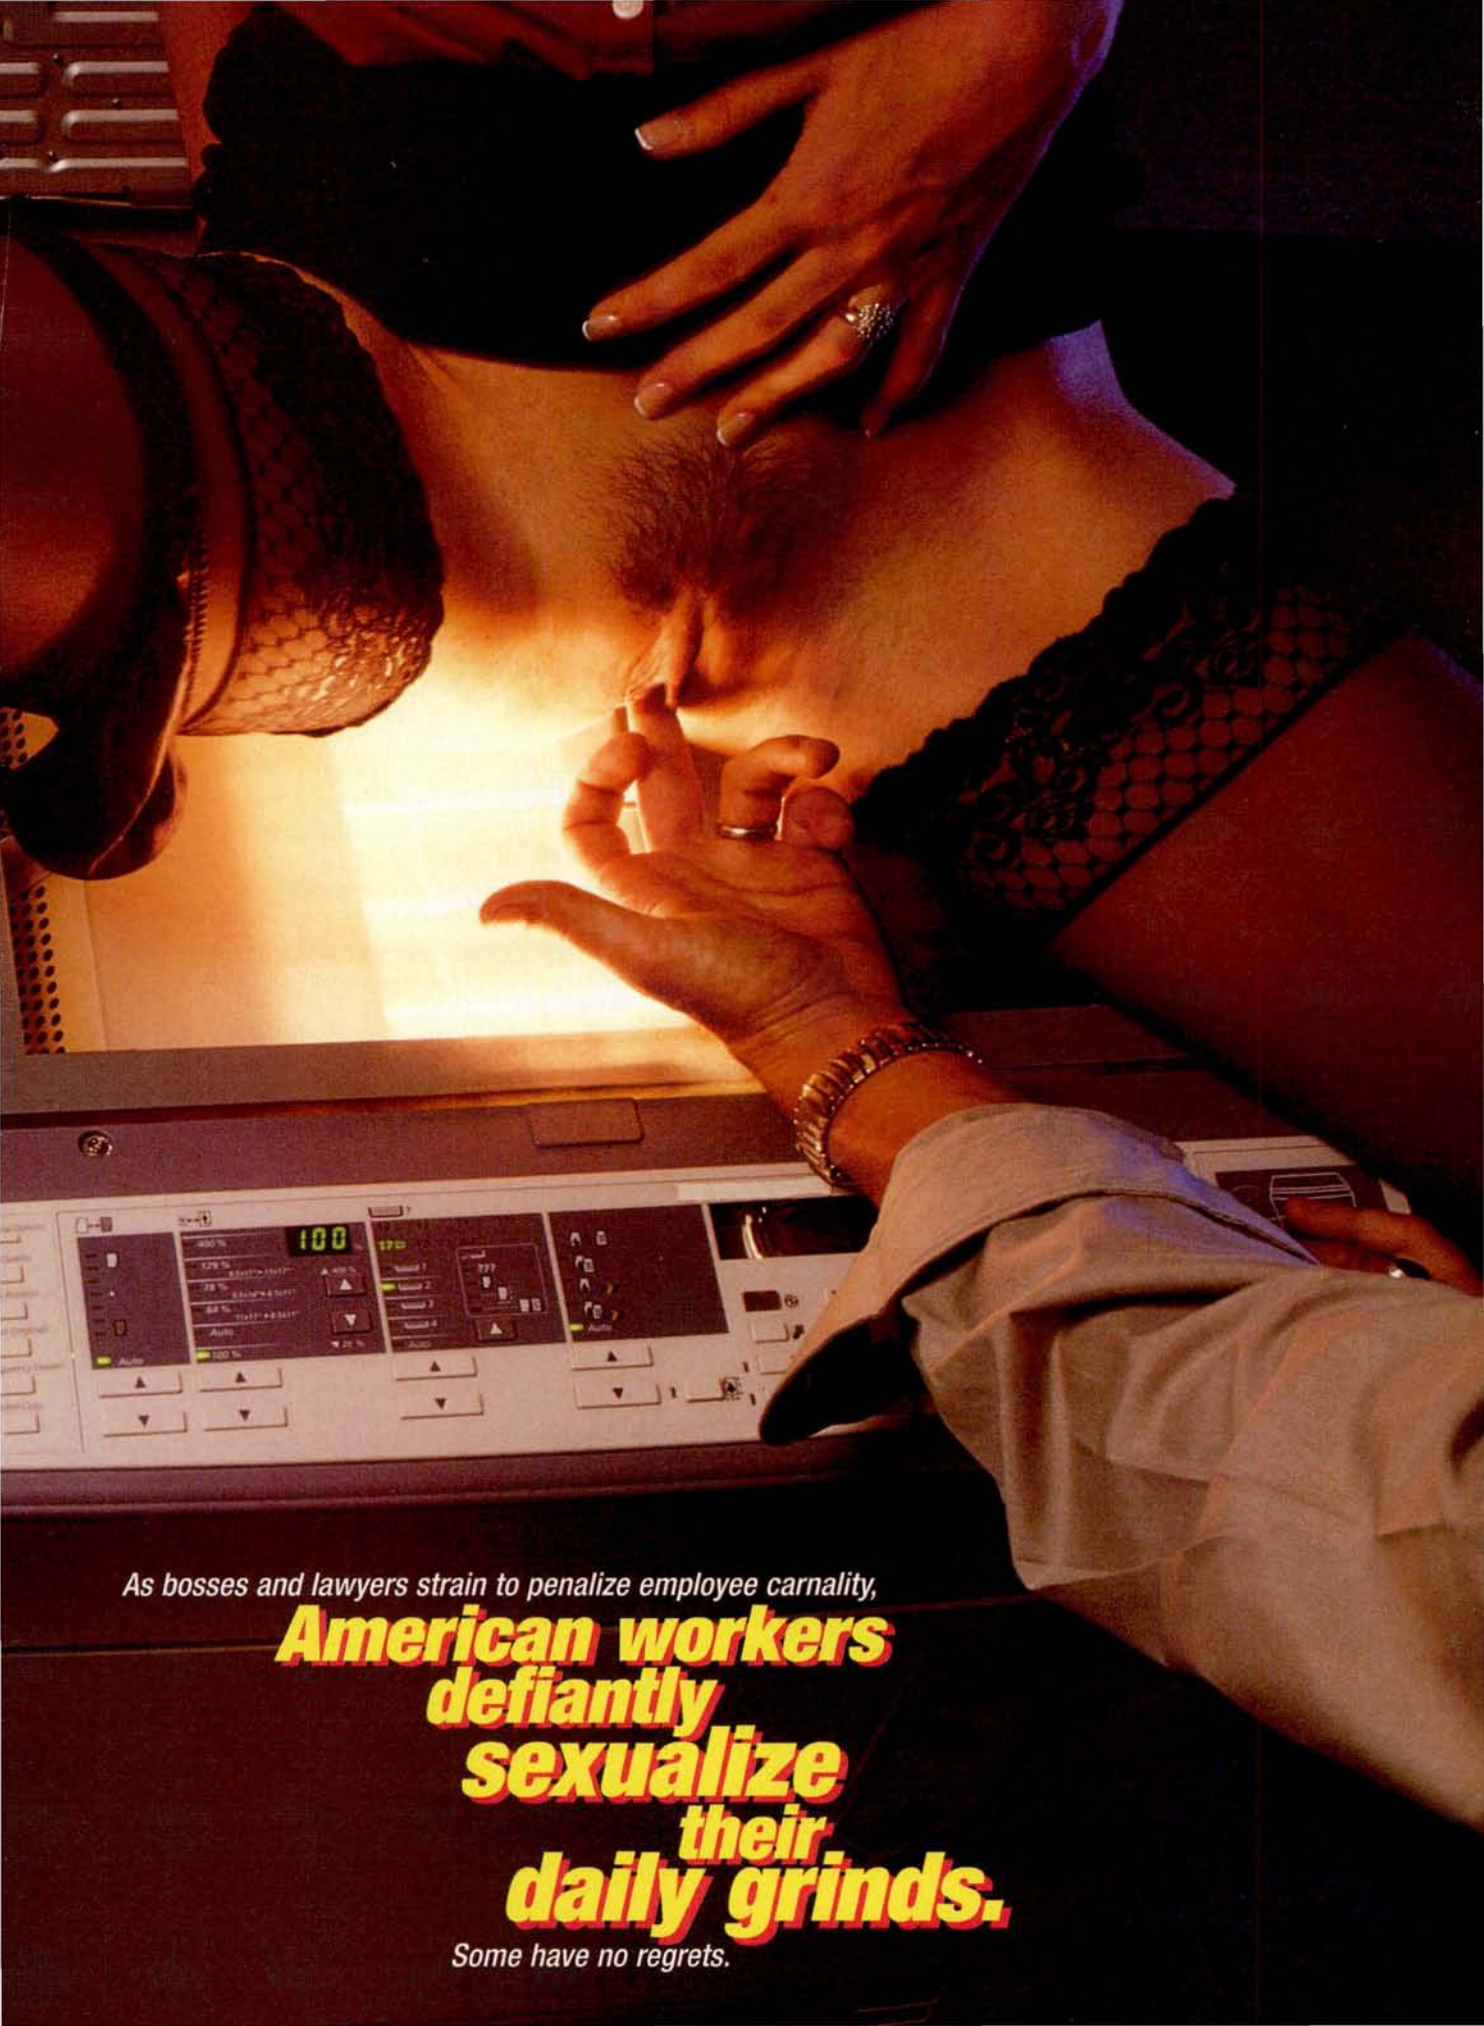
The Pleasures and Perils of Sex at Work

On the Job With
Reni Lagorio

Photography by
Ladi von Jansky





As bosses and lawyers strain to penalize employee carnality,

American workers defiantly sexualize their daily grinds.

Some have no regrets.

Sex at Work

When Owen landed his first job out of law school at a prestigious Wall Street firm, he knew he would have to put in plenty of late nights at the office. He didn't realize he would spend a good portion of that time having sex.

Owen and his female colleagues were being overworked into a state of acute libidinal deprivation. The resultant, impromptu tension-breakers, he insists, were business as usual for many first-year associates. Once the sun went down, the inhibitions of icy shrews and their stuffed-shirted workmates melted away.

"If you're slaving away 12 hours a day, you just need to get out of your own head for a little bit," says Owen. "And a quickie is a pretty good way to do it.

"There was even a special name for it; we called it 'tabling,'" explains Owen, referring to the use of the firm's sleek conference tables as a surface for satisfying sexual urges. "The first girl I tabled, we didn't even like each other; she was aloof and kind of a bitch. The two of us were at the office one night writing up this [legal document]. It was taking forever, and we were both at the end of our ropes when—*boom*—all of a sudden we were groping each other, and she was sliding her panties off. So I banged her on the table, and it took us five minutes to finish. Then we cleaned ourselves up and went right back to working on the damn document.

"It was the most gratuitous sex I've had—as close to no-strings-attached as I'll ever get," brags the 32-year-old attorney.

Mary Jane's most memorable on-the-job treat was a one-off in an empty conference room, high within one of the twin towers of the World Trade Center.

One study found that 61% of working women had sex with an officemate, and 28% had engaged in intercourse right on the premises. Of these, 65% had no regrets.

"I snuck off in the middle of the afternoon with this cute younger guy," relates the 34-year-old former journalist. "I don't think either one of us had actually planned on doing anything, but we just started making out. There was no lock on the door; so the possibility of being found out really turned up the excitement. Then our clothes came flying off, and we got nasty on the ledge of the plate-glass window, with all of New York below us. Everyone should try that once."

So much for desexualizing the American workplace. The national hysteria over office sex kicked into high gear a little more than ten years ago, when law professor Anita Hill leveled charges of sexual harassment against her former boss and then-Supreme Court nominee, Clarence Thomas. The collective hand-wringing over on-the-job nookie devolved into full-on farce in 1998, when news of the liaison between President Clinton and Monica Lewinsky broke.

Ironically, Owen, the Wall Street lawyer, says the revelations about the President's Oval Office antics actually eased some initial worries about his own late-night schtupping sessions.

"Sure, there was hell to pay for Clinton, because he was married and [Lewinsky] was a subordinate, but then everyone also seemed to understand that [the affair] was something between consenting adults," he observes. "It was different from sexual harassment, which was what I—and probably a lot of other guys—was afraid of the most."

Since most workplace romps are carried out in secret, there are no hard statistics on the subject. Nevertheless, several recent polls offer telling clues about how easily lust fits into time on the job.

A 1994 survey by the American Management Association found that 37% of women had hooked up with a fellow worker, while 20% of men admitted to answering the office booty call. These figures roughly correspond to the results of a 1999 canvass sponsored by the *Toronto Sun*. In that survey, one-quarter of Toronto-area respondents said they had screwed a colleague, with the figure rising to 35% for those in their 30s and 40s. Only 2% had serviced the boss, and another 2% had seduced subordinates.

These numbers pale in comparison with the results of a poll commissioned last year by NewWoman.co.uk, a British Web site in the mold of *Cosmopolitan* magazine. Based on the responses of 2,000 women, the study found that a staggering 61% had sex with an officemate, and 28% had engaged in worker copulation right on the premises. Of this impressive contingent, 65% had no regrets, and 60% reported no adverse effects on their work environment.

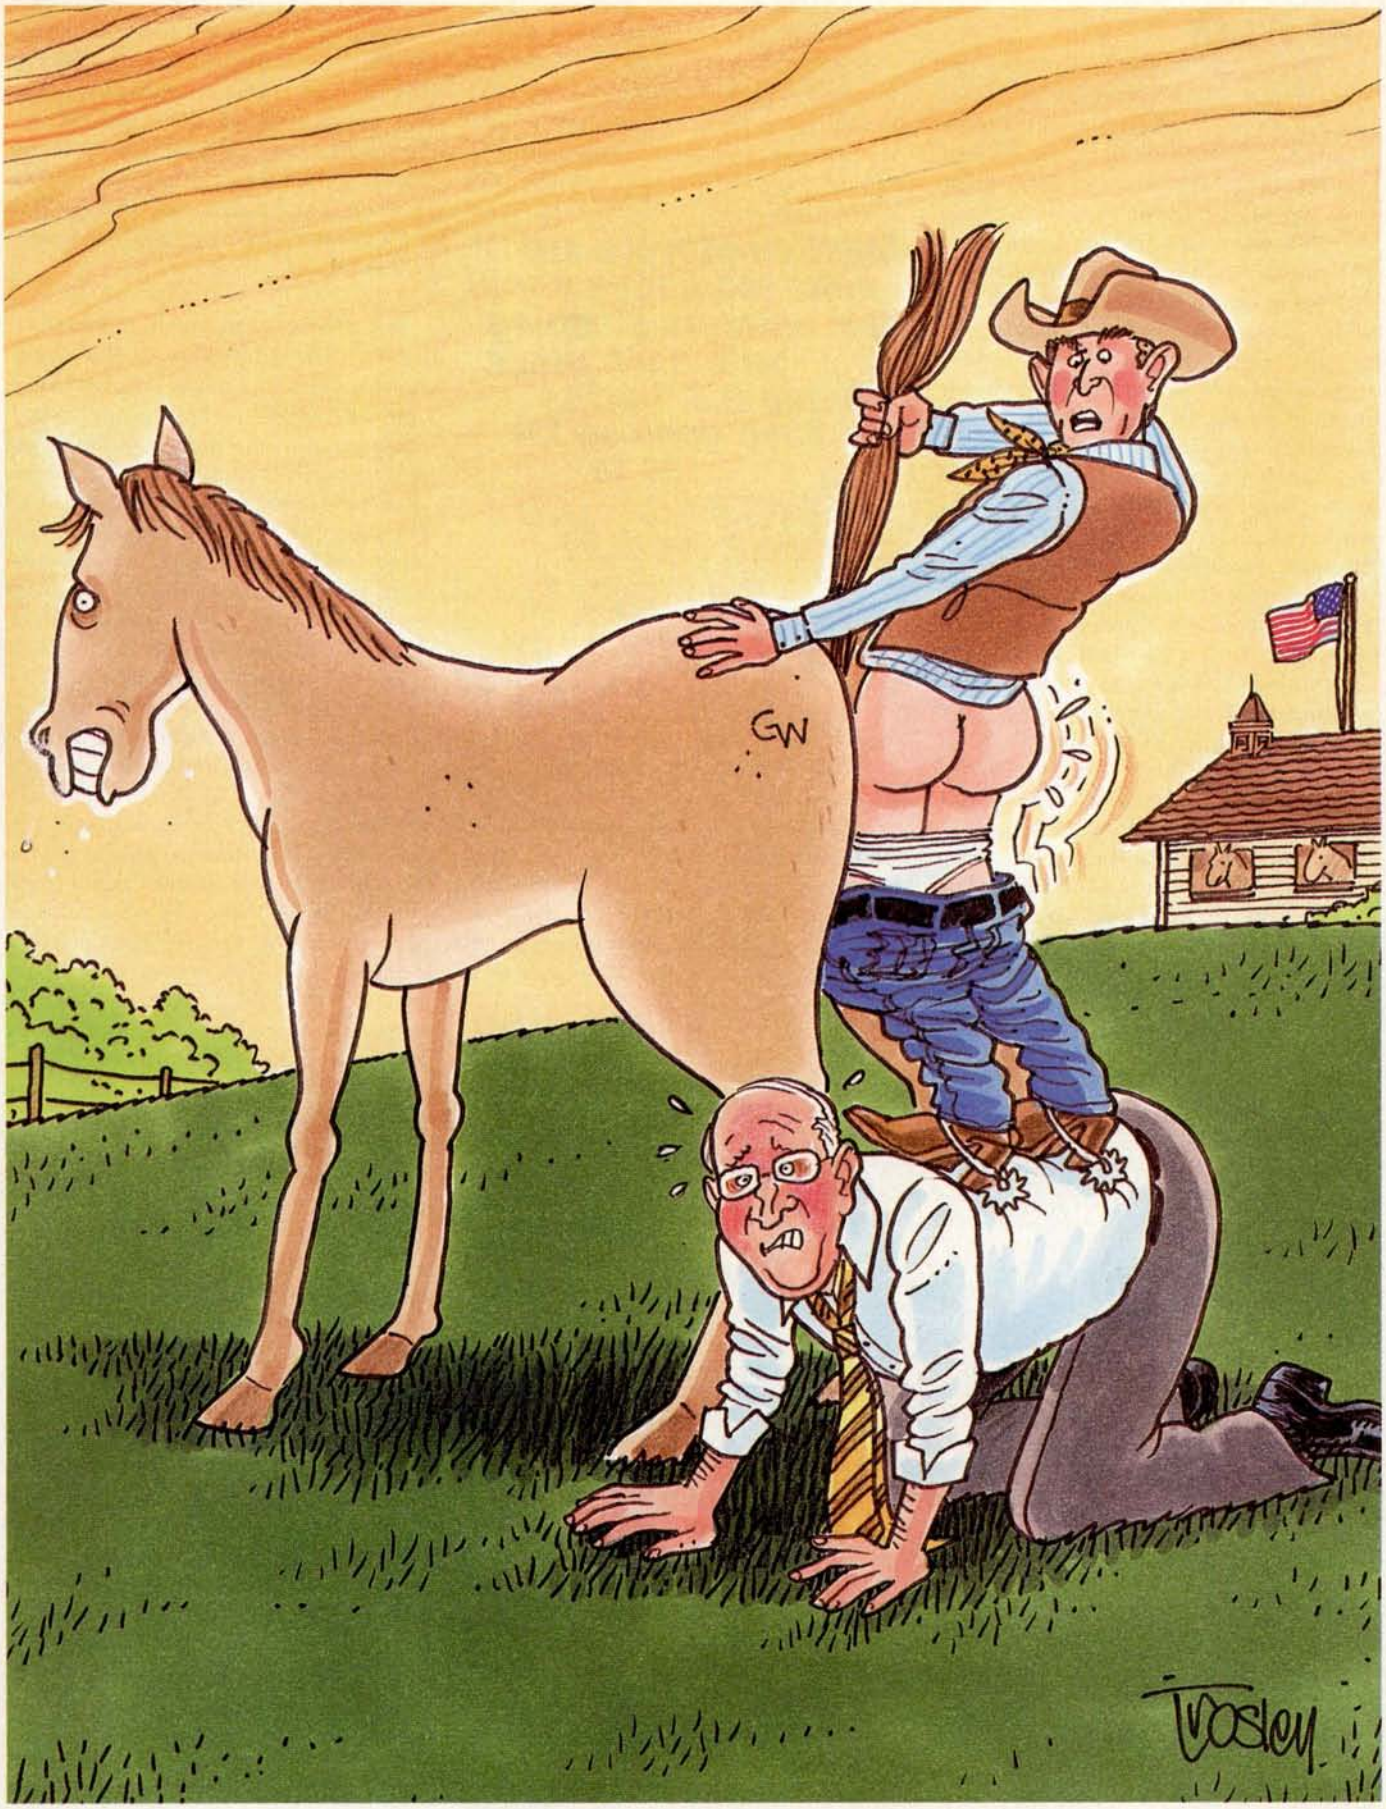
Notwithstanding the freewheeling



"Stop complaining.... It's your job to help the President!"

Sex at Work

exploits of numerous co-workers, the office fling is a dicey proposition.

The obvious pitfalls stem from the vagaries of office politics and often involve resentful colleagues dishing out catty back-room gossip, hostile innuendo and, especially when a manager pairs up with an underling, more serious accusations of favoritism. If the affair should go bad—as many frequently do—the fallout can range from a soured work environment to thwarted careers, sexual-harassment lawsuits and firings. "People have the idea, primarily from the media and TV shows, that it's just fine to date your coworkers," says Ethan Winner, a Walnut Creek, California-based consultant who advises small companies on workplace relationships. "But allowing these relationships to go forward involves a tremendous risk for both the employer and the employee. It's usually a no-win situation."

Still, even as finger-wagging advice columnists, management experts and legal pundits warn against the dangers of mixing business and pleasure, they also concede that the workplace has become the main venue for scouting both casual sex partners and potential longer-term companions.

In fact, about one-third of all relationships begin on the job, according to a survey conducted by the Bureau of National Affairs. One key factor is the ever-increasing flow of women into the labor pool since the mid-1960s. Another consideration is that employees are logging a greater number of hours than ever before; they now spend more time with their fellow wage slaves than with any other peer group.

Most employers are none too happy about their workers sleeping with each other. Some U.S. outfits have gone so far as to force couples who work together to sign a "love contract."

"If you're lonely, and you're not in a relationship, your chances of meeting somebody at work are a lot better than anywhere else," notes Dr. Martin Reznick, a clinical psychologist in Ontario, Canada. "You can go to a nightclub, I suppose, or a bar, but those kinds of things don't work out so well."

Echoing this point, syndicated relationship columnist Rhona Raskin cheerily cites a *Money* magazine survey that claims 49% of office flings either end in marriage or settle into a steady relationship. "Hey, those are pretty good odds—certainly much better than at the community-center singles dance," Raskin chirps.

* * *

Regardless of how the numbers shake out, Dr. Howard Devore, a clinical psychologist in San Francisco, takes a dim view of casual workplace sex, which often stems from circumstances having little to do with compatibility or desire. "The proximity breeds attraction, and when people act on that, it's usually because of poor judgment," says Devore. "This tends to happen if they are overworked and tired, which reduces inhibitions and impairs judgment."

Marcus, a paralegal in Los Angeles, says he learned the value of discretion when one of his friends was fired for paying innocuous compliments to a lady co-worker.

"The best policy in the workplace is just to work and do what you're paid to do, and forget about any relationships coming out of your job," says Marcus. "In this day and age, it's just not possible anymore."

* * *

Not surprisingly, most employers are none too happy about their workers sleeping with each other, even when they're off the clock. At the very least, business owners believe interemployee intercourse could undermine productivity and office morale.

In 1998, the Alexandria, Virginia-based Society for Human Resource Management conducted a survey of nearly 3,000 businesses, and found that 88% of the personnel executives polled feared that failed trysts could lead to sexual-harassment lawsuits.

Some U.S. outfits have gone so far as to force couples who work together to sign a "love contract," a legal document that makes it more difficult for a jilted partner to later sue the company.

One such love contract requires the would-be lovers to legally agree that they both "independently and collectively desire to undertake and pursue a mutually consensual social and/or amorous relationship with the other."

Yet these anxieties over consensual sexcapades are hardly supported by the record, insists Dennis Powers, a business-law professor and *(continued on page 108)*

Sex at Work

(continued from page 98) author of *The Office Romance: Playing With Fire Without Getting Burned*. Citing stats compiled by the Equal Employment Opportunity Commission—the agency charged with investigating federal sexual-harassment cases (and, ironically, where Clarence Thomas allegedly made his oafish come-ons to Anita Hill)—Powers points out that only 5% of all sexual-harassment complaints derive from consensual romances going belly-up.

"And the courts have unanimously held that an ended affair by itself isn't sexual harassment," explains Powers.

The intricacies of harassment and discrimination laws come into play only if a jilted lover engages in a pattern of retaliation that results in "adverse job consequences" or a "hostile work environment" for his or her ex.

In one such case that occurred in 1998, Teresa Whalen, an assistant prosecutor in Montgomery County, Maryland, sued her former lover and boss, State's Attorney Robert L. Dean, for sexual discrimination. Whalen claimed that, after she broke off their affair, Dean—who was married—refused to promote her, reassigned some of her cases to less-experienced prosecutors and eventually fired her. The *Washington Post* reported the story one week before the primary election for Dean's office, and the incumbent veteran prosecutor, considered a shoo-in for reelection, lost to a newcomer. The lawsuit was finally settled out of court.

Another concern for employers is the effect relationships between managers and subordinates could have on other workers.

"Office relationships can be beneficial if employees channel romantic energy into work tasks," postulates Pierce. "They may bring more enthusiasm to the job."

"You could allege discrimination if, say, your supervisor's girlfriend is getting preferential treatment, and you're being deprived of opportunities for advancement because of it," says Ann Kiernan, an employment-law expert with the consulting firm Fair Measures.

Besides exposing the company to liability, charges of favoritism can cause widespread resentment among the workforce. One notorious example is a scandal that rocked the auto-parts manufacturer Bendix in the 1980s, when CEO William Agee took up with his executive assistant, Mary Cunningham. Within a year of being hired out of business school, Cunningham was promoted all the way up to corporate vice-president, only to be forced out amid employee turmoil and public criticism of her relationship with Agee. The two have since married.

To preempt this type of partiality, some employers are policing sex along the chain of command. In New Jersey, for example, the Department of Law and Public Safety has fashioned a "date and tell" policy that compels its own managers to disclose any liaisons with their subordinates. Some large businesses such as IBM and UPS have made attempts to prohibit such couplings altogether.

In 1997, Martin Hanaka, the president of office-supply company Staples, was arrested at the Boston-area home of his secretary, Cheryl Gordon, on a domestic-assault charge. After a company investigation concluded that the two had paired up, both Hanaka and Gordon were urged to resign for violating the firm's ban on dating between bosses and subordinates. Both complied.

Such policies hold up in court, warns employment-law consultant Rita Risser, also with Fair Measures. She cites the case of a California manager who was canned after refusing to break off an affair with one of his underlings. He sued the company and lost.

According to Kiernan, however, "more progressive" companies don't resort to draconian measures to enforce their dating policies. "They can just have the subordinate report to a different supervisor," she says. "Or if one of the two has to be transferred, they leave it up to the couple to decide who goes and who stays."

Charles A. Pierce, a professor of industrial psychology at Montana State University, believes companies should avoid blanket policies entirely and instead implement a case-by-case approach. Then again, Pierce is of the opinion that workplace romances can make for more productive drones. "[Office relationships] can be beneficial if employees channel romantic energy into work tasks," postulates the professor. "They may bring more enthusiasm to the job."

67% of Women Say They're *UNHAPPY* With The Size Of Their Lover's Penis...

Muscles, Money, and Looks help, but women want a "bigger" man.

The Average Penis Size Is Just 6 Inches... But Who Wants To Be "Just Average"?

Herbal Science Breakthrough!

World-Famous Pharmacist Creates *Revolutionary* Herbal Pill That Is Guaranteed To Increase Your Penis Size By 1"... 2"... 3"... or more in just a few short weeks! *(with absolutely no adverse side-effects)*

Dear Fellow Man...

What I'm about to tell you is absolutely true. If you believe me, you will be greatly rewarded for the rest of your life. If you don't believe me... I'll make it worth your while to change your mind. Let me explain.

I'm the President of what I believe is, the most advanced Herbal Nutrition Company in the United States. Over the past few years, my company created some incredible, breakthrough products... but this one has been our most successful by far!

Our latest and most *controversial* product is called LONGitude and by simply taking 2 LONGitude capsules every day... it will make your penis grow in both length and thickness by a whopping 26%.

Sounds impossible? Of course it does... but 96% of the men who try LONGitude have great success, growing 1"... 2"... 3"... and more. I myself gained 2 1/8" in just 8 short weeks on LONGitude. I am extremely pleased with this product's performance.

I'm a single guy... so I do date quite often and let me tell you man-to-man... NOTHING, and I mean NOTHING beats the look on my lover's face as she sees it for the first time... watching her gasp... almost in disbelief... with a slight look of fear in her eyes. I can't describe how confident a bigger penis makes me feel!

You Don't Believe Me... Right?

I don't blame you for being skeptical of LONGitude... hell, even when my research team told me they had finally got it right after 3 years of research and testing, I didn't believe it. That's why I tried LONGitude personally.

Let Me Explain How LONGitude Works... It'll Help Convince You...

Your penis has three chambers... 2 large ones on top which are your erectile tissue and one smaller one on the bottom which you urinate and ejaculate from. And...

(next page please...)

When you get an erection, your brain releases a hormone which sends blood to your penis, filling your erectile tissue. The blood cavities in your erectile tissue fill to the maximum, giving you an erection.

Now get this... the maximum your erectile tissue can fill with blood creates the size your erect penis presently is. But here's the breakthrough we've discovered... Your erectile tissue can be developed much larger and stronger than it is with our product LONGitude.

Simply put... your penis is EXTREMELY unfit and smaller than what it could be if your erectile tissue chambers were larger (holding more blood). LONGitude will go to work on these chambers - increasing their size in both length and width... to hold more blood... getting you a few extra inches you wish you were born with.

After just a few days on LONGitude, you will start to see and feel much difference in the way your penis hangs and feels when erect.

LONGitude will also promote increased sensitivity... getting you more "feelings" during intercourse, enabling you to achieve ROCK HARD erections ANY time you desire.

LONGitude will give you a more muscular look, surely standing apart from other penis... A penis your lover will remember for the rest of her life!

100% Natural & Safe LONGitude Will:

- ***Strengthen and harden your erections like a length of STEEL PIPE!***

When you feel you are at your peak performance level in penis size and mass... you'll have a new found confidence... knowing you can please any woman more than any other man could - no matter how hard he tried!

Here's What You Can Expect To Happen Taking LONGitude:

Week 1-3:	Your penis will experience greater and longer lasting erections and a noticeable increase in thickness.
Week 4-8:	Your penis will have grown in length and will possess much more thickness in both- erect and flaccid states.
Week 9+:	Your penis will have taken on a new body, not just longer and thicker, but much harder and healthier.

It's pretty simple to understand... the size of your erectile tissue chambers is what limits your penis to the size it is now. LONGitude painlessly makes these chambers longer and wider, holding more blood... making your penis several inches longer.

90% Of Men Have A 6" Penis... That's The Average Size LONGitude is made for men that are NOT HAPPY WITH AVERAGE!

You don't want to make an average income... live in an average home... drive an average car... why settle for an average penis... especially since it is inexpensive and safe to have some serious machinery between your legs.

Try LONGitude without risk... here's how:

A One-Month supply of LONGitude (60 capsules) costs just $59.95 plus shipping. Get yourself a bottle right now by calling 1-800-518-3492 with your credit card, 24 hours a day - 7 days a week. We'll rush you off a bottle of LONGitude... try them as recommended- just 2 easy-to-swallow capsules per day.

You're Guaranteed To See An Increase Of ONE FULL INCH in 30-Days Or You Pay NOTHING!

If after trying LONGitude for 30-days, you do not experience a FULL INCH in length and a noticeable increase in thickness, simply send the bottle back to us and we'll refund 100% of your money - even the shipping fees you've incurred! No questions asked!

How Can We Be So Generous?

Easy- with a 96% success rate... we're more than confident it'll work for you... with amazing results that almost defy belief! Think about it... standing in the mirror with a penis 1"... 2"... 3" larger... or more. That would be something, wouldn't it?

You bet it would. And with our 30-Day NO GROW-NO PAY guarantee, where *we'll even refund your shipping cost*... you have absolutely nothing to lose!

I know you may still be skeptical... but all I want you to do is "try" LONGitude... I won't consider this purchase binding until after 30-days. Can it really work for you? You'll never know unless you give it a try. Look- pass up on this offer and 30-days from now, you'll simply be a month older with the same penis you have now... or you can be on enjoying a new life as thousands of other men are... many inches longer. **You decide**.

And by the way... LONGitude will be *discreetly* billed to your credit card under CP DIRECT and it is shipped in a plain box, with only our return address on the label.

Thank You,

PS: In a recent survey conducted by Durex Condoms, 67% of women said that they are unhappy with the size of their lover's penis. Proof that size does matter! A larger penis has much more surface area and is capable of stimulating more nerve endings, providing more pleasure for you and your partner. A man endowed with a 7" or 8" penis is simply better *"equipped"* than a man with a 5" or 6" penis. Would you rather have more than enough to get the job done... or fall short. It's totally up to you.

PPS: A special bonus if you are one of the first 250 men to try LONGitude risk-free... You'll receive FREE membership into our Preferred Customer Club where you'll receive a $20 discount off every future bottle of LONGitude. In addition, so you do not go a day without our capsules, you'll automatically receive a new 30-day supply every month and we'll bill you just $39.95, plus shipping - that's $20 OFF the retail price. Trust me- after a week on LONGitude you will not want to live a day without this product until you reach your optimum length. Once you reach your optimum length in about 3 months, call us and we'll stop sending automatic shipments. There is no minimum amount of bottles to buy and you can cancel shipments at any time. And if you take us up on our 30-day money back guarantee, your credit card will never be billed again.

PPPS: This breakthrough product will make your penis grow, and grow until you decide it's the perfect size. When it reaches it's optimum size, stop taking LONGitude. You do not have to take LONGitude ever again- the results are permanent. Most users stop taking LONGitude once they reached 8" to 9" (about 12 weeks). It is not advised to go past the 9" limit for the simple fact that you'll be too big for many women.

Here's Some Of The Most Common Questions New Users Have:

What Is LONGitude?
LONGitude is a 100% safe and natural formula that is guaranteed to increase penis size by an average of 26%.

How Does LONGitude Work?
LONGitude permanently enlarges your two erectile tissue chambers in your penis to hold more blood during an erection... thus, making your penis much, much larger in size.

Are Their Any Negative Side-Effects?
Absolutely zero. A positive side-effect is that you'll be more sensitive, enjoying intercourse more.

How Do I Take LONGitude?
Simply take 2 easy to swallow capsules every day.

How Long Can I Expect My Penis To Get?
Measure yourself during full erection and add 26% - that is the average size increase. LONGitude will continue to work the longer you use it.

How Long Will It Take To Work?
LONGitude will start working instantly, making your penis thicker and erect more often. Length growth starts a few weeks later and the total process usually takes 12 weeks.

How Long Should I Take LONGitude?
Take it until you get to 8" or 9". After you get to this size, we advise you stop taking it. Any longer of a penis would be too large for most women to handle.

What Are The Ingredients of LONGitude?
LONGitude is a proprietary blend of the following 100% safe and natural ingredients: Zinc, 300 Yohimbe, Maca, Catuaba, Muira Pauma, Oyster Meat, L-Arginne, Oat Straw, Nettle Leaf, Cayenne, Pumpkin Seed, Sarsaparilla, Orchic Substance, Licorice Root, Astragalus, Tribulus, Boron, and Ginseng.

Sex at Work

(continued from page 108) experienced numerous sexual encounters at his law firm, says he didn't know if his employer even had a policy on consensual sex. Likewise for Dominique, a twentysomething editor who secretly took a lover at a previous job with a Vancouver-based Internet start-up. Nevertheless, they both knew workplace etiquette deemed fucking co-workers a deeply illicit activity—even if the lovers were equals and the sex voluntary.

"It's still completely taboo, no matter how you dress it up," observes Dominique.

Owen—who has been promoted and now claims to barely ever have sex at work anymore—believes his former bosses had some hint of the fuckfest raging under their noses, but little reason to intervene.

"As far as I know, nobody ever complained about it, and it didn't do much to hurt job performance either," Owen says.

"On the other hand, I think we tried to be at least somewhat discreet. I mean, it wasn't exactly a secret that some people were getting laid after-hours, but I don't remember anyone flaunting it or blabbing about it. In a weird way, you had to be very professional to pull it off."

Dominique tried to conceal her boytoying because of the backlash she anticipated from her own office peers.

"People always sniff out if you're sleeping with someone; so it's pretty impossible to keep it a secret for very long," she says. "Once the gossiping started, word got back to me, and it was the same double-standard shit women always get. Like, 'Oh, she's easy,' or, 'Oh, she's a little slut, and she's trying to fuck her way to the top.'"

"Some of the relationships had gotten way out of hand," Carly says. "There were married people who were cheating, ugly divorces, even screaming matches in the boardroom."

Carly, a 25-year-old network manager in the San Francisco Bay Area, recalls a similar run-in with a vicious gossip mill, as well as hostility between ex-lovers.

"Some of those relationships had gotten way out of hand," she says. "There were married people who were cheating, ugly divorces, even screaming matches in the boardroom. Most of all, I hated the cheesy, hush-hush get-togethers where they try to get you to pick sides."

The feuding couples, she adds, were eventually flushed out of the company. Some were fired, and others left on their own.

If breaking up at work is hard to do, it's downright ugly when a vindictive ex mobilizes the entire office staff to pick on his or her former flame. Dana, a 30-year-old benefits administrator in New Jersey, ended a short tryst with one of her colleagues, only to find herself the target of a smear campaign.

"The sicko was going around spreading all these lies about our sex life," she says. "I didn't find this out until later, but one of the stories was that I liked to sit naked on top of the TV and masturbate whenever he watched hockey."

Unaware that this particular rumor had circulated among most of her male co-workers, Dana couldn't fathom the constant snickering and innuendo directed at her. Finally, one of the other women at the office, having overheard the story, filled her in.

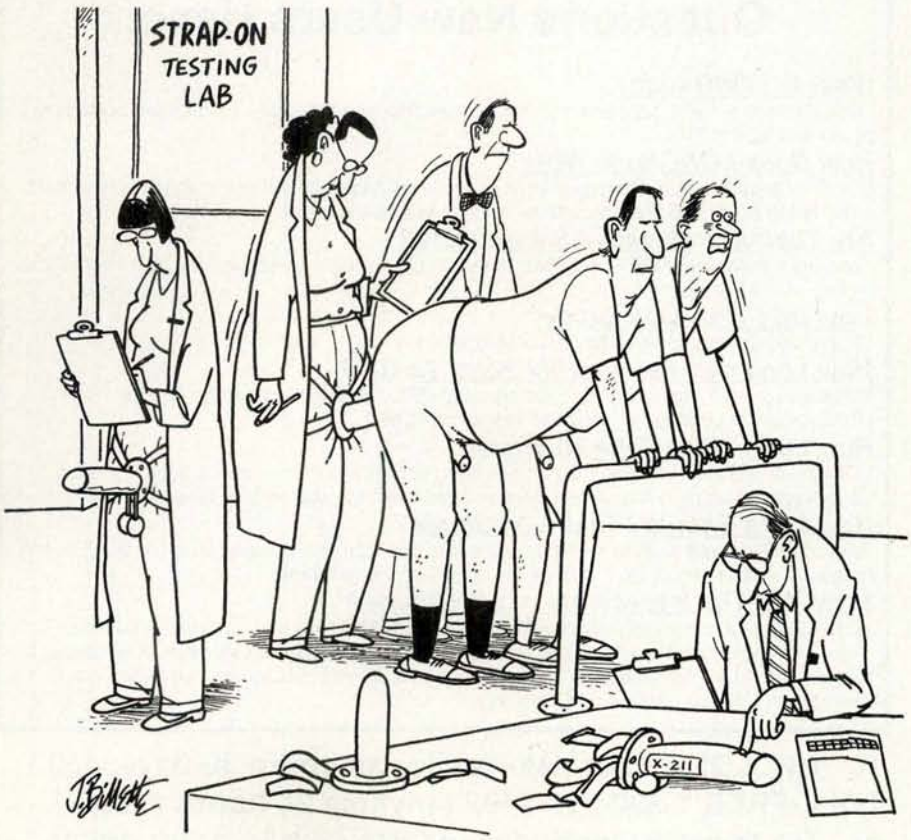
"I was so humiliated," recalls Dana. "I realized every time someone looked at me, that's what they saw—this ridiculous, naked woman fingering herself."

From that point on, Dana became increasingly isolated at work. The juvenile joshing behind her back exploded into open hostility.

"I thought about making a sexual-harassment complaint about all the looks and comments I was getting, but then I decided I didn't want to put myself through that," Dana admits. "Plus, people would just say, 'Well, nobody twisted your arm to go out with him. You made your bed; now lie in it.' So I requested a transfer and got the hell out of there. I won't put myself in a position like that ever again."

Reflecting on her own foray into the office-sex gutter, Carly says she would have to think hard before snagging a co-worker again. "If people acted more like grown-ups, then maybe," she offers. "Except they usually don't."

Dominique is more ambivalent. "My official line is 'never again,'" she says. "But to be honest, I could repeat my history."



"Hey, a job's a job."

(continued from page 80) become. It actually was my tool; my office, if you will.

Krista Leigh I don't use agents. It's a waste of time. You have to go in there and sit all day. I have three kids; I don't have time for that. Then there are the scumbags that expect you to do you-know-what to get a part. People who say that the casting couch is just a myth and that it doesn't happen, they're just trying to hide something, probably because they did it themselves.

Kiki Daire Either you're working a lot and praying for a day off, or you're working a little bit and thinking, "What happened?" Days when I'm not doing anything at all, I'll go over to Jim South's, eat lunch with him and sit in his office from 2 p.m to 4 p.m. to meet people. It also keeps me fresh in his mind so he recommends me for stuff.

April I'm not too keen on agents; I think a lot of them are sleazeballs. My first agent was a talent himself at the time. He'd tell photographers I'd do boy-girl, but only with him. He was basically trying to get an agent fee, a talent fee and his percentage all in one. After a while, the photographers were like, "Well, we want to shoot her, but she won't work with anyone but this guy, and we have too many of those two together." I didn't like him very well.

Allana Evans Getting into porn is probably one of the best things that's ever happened to me. It allowed me to immediately make the money I needed to leave my husband, take care of myself and take care of my son.

Amber Lynn Success is all based on sellability. Period. When I was out on the road dancing, I could see what my drawing capacity was. It all boils down to the almighty dollar.

THE FUTURE

Storm I have certain aspirations for how I see my life when I actually have some money. I want a nice apartment in Santa Monica, a nice car, a nicer styler and nice clothes. I'm materialistic; shoot me.

Marie Silva I'd like to start my own business. Be here a couple more years. Maybe go into personal training or open a restaurant. Eventually get out and have a bunch of kids and a nice house.

Ava Vincent Being in porn can be a high price to pay if you want to get out and live a normal life. But that's your choice. Be sure you want to be here, because you will be here, and it will be in your history for the rest of your life. If I could do anything, I think I'd take what I've done so far and cross over into mainstream. Porn's given me a lot of great film experience. If there weren't the stigma, I'd almost advise all actors to do it.

Kiki Daire When I'm done with porn, I want to go to makeup school and learn how to do special-effects makeup. I want a little bit of a different life. People are more open to [porn] now than they were ten years ago. If someone were to find out that I used to be in porn, so what? Who cares?

"Getting into porn is probably one of the best things that's ever happened to me. It allowed me to make the money I needed to leave my husband."

Allison Embers I've done a lot of porn; I've fucked a lot; I've learned a lot. Basically, don't go on the set [by] yourself; don't work with Max Hardcore. I didn't learn anything like life lessons; basically, I'm in the porn business because I love to fuck. I'm a fucking slut. I'm proud of being a slut. I don't have any wisdom or anything like that.

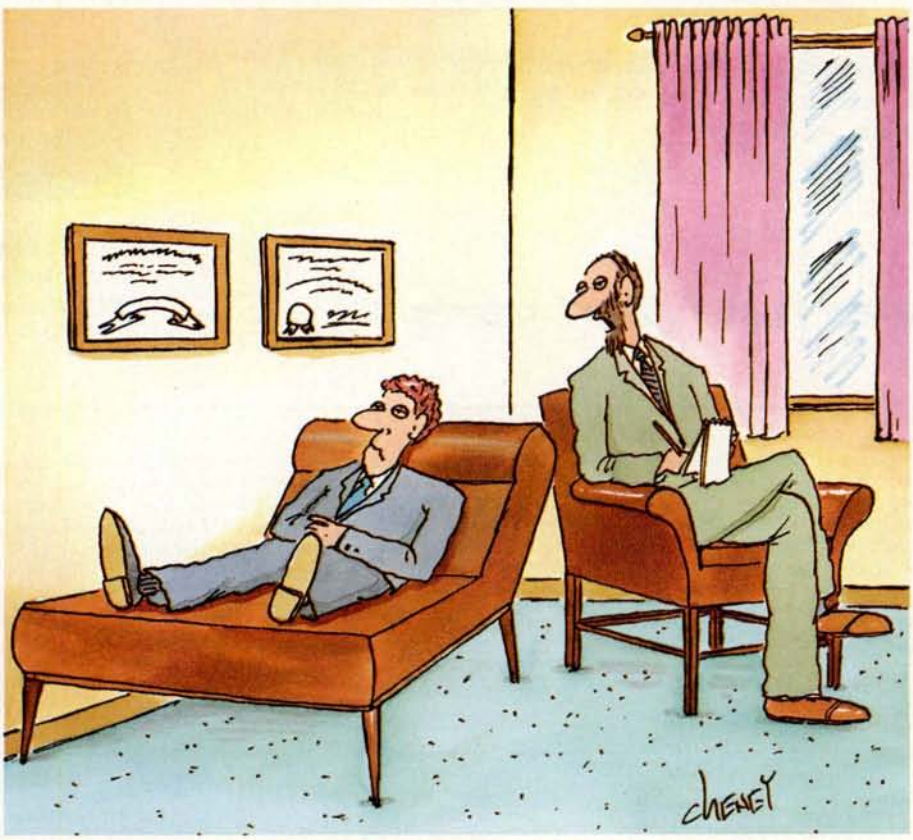
Allana Evans I'm not going to do scenes forever. I can't. It's not good for my body. The area around my pussy has gotten darker from the amount of sex that I have. The color of my ass has gotten darker because it's been used now—not overly used, but I've used it. My joints, my wrists are not as good as they used to be because of all the hands and knees positions.

Sid Deuce When I was doing movies, I thought I'd be doing that for 15 years. I'd see women come back who were older and looked like they were someone's mom. I just didn't want to be one of the girls who comes back and doesn't look all that great, where people say, "God, she really should stop doing movies."

Amber Lynn When you're in an industry that's based solely on your looks, as you start to get older, you're going to have less of a demand. It hasn't happened to me. I haven't made a movie in a few months because I haven't seen any projects that I wanted to work on, that's all.

Sydnee Steele I will leave the industry, at least the talent side, when I stop having fun. If I'm getting too old—if you're just not attractive and your age has caught up with you, it's time to leave.

Alexandra Silk I can't ever leave pornoland. I always keep coming back.



"You've got Rush Limbaugh Syndrome: Nobody gives a fuck what you think anymore."

Samantha, from Dallas, Texas, dreams of being an adult entertainer. The 19-year-old wanna-be man-pleaser's hobbies include dancing and photography, but her deepest fantasy is to have "rough, hard, raw sex in pudding." —Photo by Friend

Isabel, 20, is a professional dancer from Bloomington, Indiana. Working out, movies, fucking, concerts, schoolwork and playing with her cat keep the sexy hoofer busy. No wonder Isabel "would like to have three different guys be my slaves for a day." —Photo by Friend

Erin, a day-care professional and feature dancer from Commerce, Oklahoma, enjoys working out and boating. The 25-year-old, blond beauty dreams of "having men watch me pose." —Photo by Friend

"I'll do anything to succeed," says Sassy, a future nurse from Los Angeles, California. The driven 20-year-old enjoys horseback riding, in-line skating and sunbathing. Sassy's carnal goal is to have "sex at a nude beach."

—Photo by Boyfriend

Makenzie, of Lake Geneva, Wisconsin, is an "exotic model." The self-avowed computer geek enjoys swimming, dancing, traveling and nude modeling. When she's not hacking code or flaunting her bod, the tech-head dreams of "sex on a warm beach under a full moon."

—Photo by Friend

April, of West Monroe, Louisiana, loves sucking dick. "There's nothing like it," the 27-year-old avers, and we'll take her word for it. The oral proponent salivates over the idea of "having sex with another bitch while my man watches."

—Photo by Husband

Michelle, of Indianapolis, Indiana, loves "playing with sexual toys." When the 21-year-old brunette isn't fooling around with latex, she reflects on the idea of "having a threesome." —Photo by Boyfriend

Becky, of Houston, Texas, enjoys dancing and collecting Betty Boop memorabilia. The 34-year-old dental assistant desperately wants to star "in an amateur porn flick." —Photo by Husband

"I'm smart, with lots of ambition," boasts New Paltz, New York, resident Beth. The 21-year-old poses on hardwood floors and is a natural at growing trunks. "I'm beautiful," the self-assured blonde coos. "I go for what I want." —Photo by Friend

Pouty, 21-year-old Veronica is a store manager from Providence, Rhode Island. When the neatly shaven Beaver isn't working in the hectic world of retail, she apparently enjoys kicking back in her bed wearing only her lacy stockings.

—Photo by Friend

Gia, a 22-year-old shop assistant from Austria, enjoys shopping, traveling, swimming and sunbathing. A practicing nudist who's pretty much mastered her craft, the shapely Beaver likes to arouse fellow clothes-shunners, then "close my eyes and dream about being licked by the stranger and my friend at the same time."

—Photo by Boyfriend

Skiing, hiking, camping and "playing with my pussy" keep Sacha, 24, of Denver, Colorado, busy. When the slender model has time on her hands, she imagines "being in a group of women and just going at it."

—Photo by Husband

Cindy, 33, of Cleveland, Ohio, is into "sex, sex and sex." The single-minded secretary dreams of "having sex on a moving motorcycle." Don't forget to use protection, Cindy; wear a helmet.
—Photo by Boyfriend

Sapphire Falls is a self-employed 27-year-old from Tucson, Arizona. The industrious HUSTLER reader enjoys soccer and riding four-wheelers, but yearns to have "sex with multiple men in the outdoors."
—Photo by Friend

Zoe, 34, is an artist and graduate student from Phoenix, Arizona. The black-laced Beaver loves working out, traveling and having sex, but hopes to double her pleasure by being "fucked by two guys at once."

My mouth sealed to Yvette's mound, I lubed a finger with her juice and pressed the sloppy digit into her dainty anus. Her pelvis quaked.

(continued from page 31) blasting from the stereo anymore.

I was jolted from my comatose state when a gorgeous woman cruised over to the munchies table for some guacamole. She wore a low-cut, nude-color dress, and her body was so hot that I couldn't help gawking. *What the hell is wrong with me?* I wondered, hastily averting my eyes.

"Hi," the woman said to me.

"Hello." I attempted to act normal.

"My name is Yvette. I work with Carla."

"I'm Fawn," I replied. "Carla and I were tight in high school."

The small talk continued, but I could hardly tell what I was saying. Yvette smelled really good, and my pussy was wet.

"Let's take a stroll, shall we?" Yvette suggested, gesturing toward the backyard. I nodded and followed her, my heart pounding.

The yard was dense with fragrant shrubs and trees—rosebushes, magnolias, dogwood. Yvette led me into a thicket of pink and white blossoms. The air was moist and buzzing with crickets. My palms were sweaty, and my nipples were hard.

"You're very attractive," Yvette said, whirling around to face me. I stared silently at her full, glossy lips.

"I like blondes," she continued. "Blondes are soft and delicate." She stroked my hair, admiring its golden sheen, I guess. I remained mute. She placed her hand on my breast as her mouth covered mine. Her lips were warm and salty-sweet. She licked my tongue. My clit was diamond-hard. Yvette slipped her hands under my pale-blue mini-dress and rubbed my ass. My white satin underwear slid back and forth across my flesh. *Shit*, I was about to have sex with this woman.

"I can't do this!" I squawked, suddenly panicked. "I have a boyfriend. *I am not a lesbian!*"

Yvette shushed me. "No, of course you aren't a lesbian, sweetheart," she cooed, kissing me again. Hot ooze dripped from my slit. My wet panties clung to my labes.

"Go ahead," I panted resignedly. "Do what you want to me."

Yvette lifted my dress over my head, unhooked my bra and removed my panties. I stood stark naked in the cool evening air, the half-moon reflecting off my body. Yvette's hands roamed over every inch of my flesh, pausing to dip between my legs, then emerging again to explore my ass, belly and tits. My nipples were tingling and hard as pebbles. Yvette took one in her mouth and sucked softly. I tangled my fingers in her choppy, dark hair. She fell to her knees and pushed her nose between my legs. Hot air puffed from her nostrils and tickled my downy pubes. I gasped as her tongue wriggled into my hole. She slurped exuberantly at my honeypot and pulled me to the ground.

"Lie down," she commanded. I stretched out on the grass. She climbed on top of me and mashed her vage against mine. Her moist pussy lips smooched my clit, sending sharp waves of pleasure up my spine. I squeezed her soft, ripe boobs, pulling her against me so our breasts could roll against each other. I shivered as our nipples flipped back and forth like tiny, dueling joysticks. Yvette's twat gushed fluid, soaking my conch with warm liquid. Panting, she repositioned herself and settled on top of me in a 69. I gazed in awe at her gorgeous cunt; it was shiny and clean-shaven, with dainty petals like a budding flower. I touched the silky flesh, fascinated by its soft, supple texture. The spicy aroma of pussy mingled with the scent of roses. A drop of girl goo landed on my lips; the flavor excited me. I jammed my tongue up her slot.

"*Aah*," Yvette sighed as I licked her. She lapped my ginch eagerly while jamming three fingers up my flue. My mouth sealed to her mound, I lubed a finger with Yvette's juice and pressed the sloppy digit into her dainty anus. She squeaked as I finger-fucked her butt.

"*Ooh-wah*, it's my magic place," she moaned, ramming her ass against my hand. I jiggled my paw faster and sucked her cunt harder. Her pelvis quaked.

"Yeah, yeah, yeah, yeah," she whimpered, convulsing with orgasm. The fevered trembling of her mouth against my squack sent me hurtling over the edge into a dizzy climax.

"*Aaaah-eeeeeeee!*" I squealed like a dog whistle.

Yvette and I now meet twice a week in a cheap, anonymous motel room and have frantic, multi-orgasmic sex on a lumpy bed. I feel tawdry and sneaky, but how I crave that woman. I worry my boyfriend is becoming suspicious—and it wouldn't be pretty if he found out—but, good God, I can't stop.

"How can you be pro-life without being pro-fucking?"

Luba Lazy Fuck

Photography by Maklin

"Pretend I'm asleep. What would you do to me?"
purrs Luba, spreading her legs wide.

The petite brunette gently parts her glistening folds and writhes, aching for a quick, easy bone.

"If I doze off while you do me, don't take it personally," sighs the drowsy seductress.

"Just do your business and go.
I'll probably thank you later."

BECOME A POWERFUL SEX MAGNET... ATTRACT WOMEN INSTANTLY

- You DON'T have to be handsome
- You DON'T have to be wealthy
- You DON'T have to own luxury cars
- You DON'T have to spend big bucks

"Women will seek you out of a crowded room, establish eye contact, initiate conversation. They will simply want to be around you. They will simply want you!" –*L.A. Weekly Times*

CNN, 20/20, Dateline, Hard Copy, Newsweek, Time Magazine, newspapers from coast to coast, and respected medical journals have all reported on the amazing discovery of human pheromones. Pheromones are odorless chemicals that all animals, including humans, secrete to attract the opposite sex. They're the reason women tend to end up on "his" side of the bed or wear his shirts or robe. They're the reason some men are always surrounded by females. Pheromones work on a subconscious level – the more pheromones secreted, the greater the sexual attraction.

Now, thanks to a significant, technologically advanced scientific breakthrough, these pheromones have been successfully replicated for the first time! Introducing **Attractant 1000+**, the most powerful human pheromone concentrate in the world!

In clinical tests, small quantities of **Attractant 1000+** were sprayed on a chair in a doctor's waiting room. 90% of all female patients chose that chair to sit in, over ten other chairs in the room!

In a second experiment, duplicate photographs of men were shown to two female control sets. The men in the photos sprayed with **Attractant 1000+** were consistently judged to be more attractive, intelligent, sexy, confident, friendly, and – yes – even sensitive.

Wear **Attractant 1000+** by itself, or add this powerful formula to your favorite cologne. No one will know, but you'll notice the difference immediately.

SAFE: **Attractant 1000+** has been thoroughly laboratory and field tested, and has proven to be 100% safe. Unlike other "aphrodisiac" products on the market, **Attractant 1000+** is not ingested internally and has no unpleasant side effects.

EFFECTIVE: You WILL meet more WOMEN. You WILL have more SEX. Guaranteed! *ACCEPT NO SUBSTITUTES.* Only **Attractant 1000+** is guaranteed to contain 100% laboratory quality-controlled synthesized HUMAN pheromones (Androstenone and Androstenol). Don't be fooled by imitations.

Only your imagination will dictate how far it can go, but everything starts with a few drops of **Attractant 1000+**.

Coming Next Month in HUSTLER

A Banquet of Pink With Extra Stuffing

November's HUSTLER is a feast of plenty for pussy-starved pilgrims. Two drool-inducing dykes spit-baste their cornholes for a round of raunchy dildo penetration. A nasty country girl takes a stud with a roadster for a sweaty spin and ends up covered in ball grease. One fair-haired lovely gushes hot whiz all over the floor before tickling her slit with a colorful vibrator, while another pissy blonde has her leaky snatch stuffed on a barstool by a horny booze hound. The November HUSTLER will make even Puritans fall to their knees and sing the praises of poon.

Urethral Injections

Most people grab their crotches in protective terror at the mere thought of sticking something in their piss-holes, but a growing number of women and men are inserting objects into those dribbling orifices in search of the ultimate orgasm. Originally developed as a therapy for individuals who have difficulty urinating, the mechanical stretching of the urethra has become a risky new fad in the sexual subculture. In a cringe-inducing *Sex Play*, HUSTLER correspondent Melissa Monet infiltrates peehole penetration circles to find out what drives a man to force a 12-inch rod up his own dick and why a woman would want to become a "four-hole girl."

Tantric Tricks

The lure of unbounded sensual ecstasy has helped the Tantric Sex movement blossom into a profitable industry. Celebrity endorsements from the likes of Sting, Woody Harrelson and Tom Hanks have couples flocking to expensive weekend retreats hoping to rekindle their physical relationships. The notion of erotic empowerment through the wisdom of 4,000-year-old Sanskrit works has also given a new air of legitimacy to traditional practitioners of the world's oldest profession. In a consciousness-expanding HUSTLER feature, reporter Stephen Johnson delves into the world of sacred sex to uncover which temples of love practice what they preach and which are fancy fronts for high-priced hookers with strictly secular interests.

Turkeyneck Treats

The cornucopia of delights overflows this Thanksgiving as *Bits & Pieces* skewers *The Weakest Pink* and slams down shots of Sleaza Tequila. *Erotic Entertainment* carves into a dozen new fuck flicks and reveals which ones will make viewers pop when they watch them. A flock of fresh-faced amateurs offers a banquet of homegrown pussy in *Beaver Hunt*. Readers can enjoy their fill of tender breasts, thighs and legs in the November 2001 HUSTLER.

November 2001 HUSTLER on sale August 21.
